

Solder Board-Component View 13	 A photograph of a green printed circuit board (PCB) component, labeled '13', mounted on a blue textured surface. The component is rectangular with a central white, multi-pin connector. It is positioned next to a black ruler with white markings, showing dimensions in millimeters. The ruler is oriented vertically, with the 0 mm mark at the top and the 100 mm mark at the bottom. The component's width is approximately 40 mm and its height is approximately 30 mm.
Solder Board-Component View 14	 A photograph of a green printed circuit board (PCB) component, labeled '14', mounted on a blue textured surface. The component is rectangular with a central black integrated circuit (IC) chip. It is positioned next to a black ruler with white markings, showing dimensions in millimeters. The ruler is oriented vertically, with the 0 mm mark at the top and the 100 mm mark at the bottom. The component's width is approximately 40 mm and its height is approximately 30 mm.
