# Commercial Floor Scrubber

|                           |                   |
|---------------------------|-------------------|
| Model                     | M2 Pro            |
| Size                      | 1.0X0.84X1.2 M    |
| Weight                    | 110 kg            |
| Total water tank capacity | 117 L             |
| Factory number            | iTRMM620220121003 |

|                  |                   |
|------------------|-------------------|
| Rated voltage    | 24 V              |
| Rated current    | 27 A              |
| Battery capacity | 120 Ah            |
| Release date     | 2022. 1. 26       |
| IC               | 28428-ITRMM620228 |
| FCC ID           | 2ARKV-ITRMM620228 |

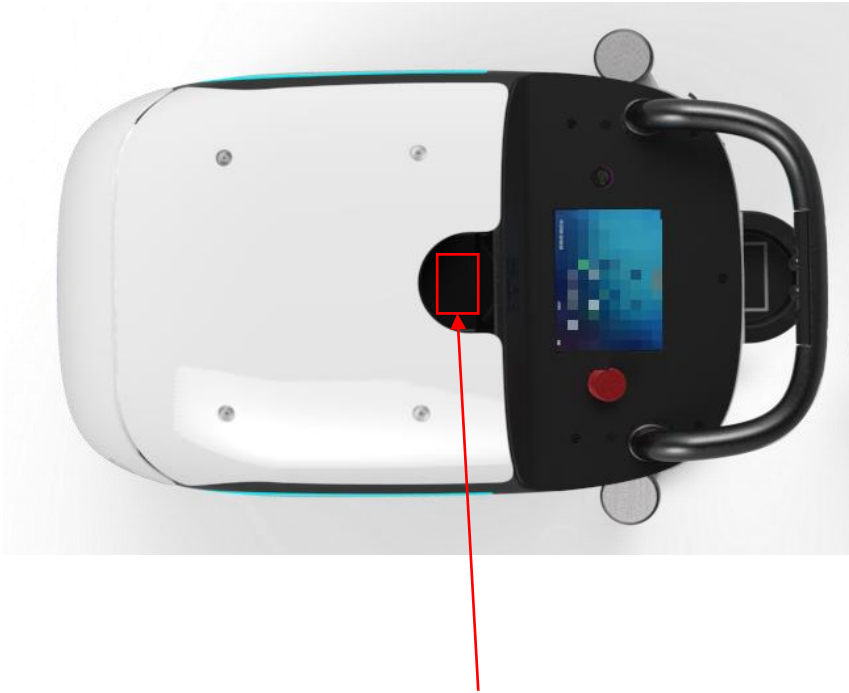

HangZhou TaRen Robotics Technology CO.,LTD

Manufacturing Address: 3F JieLi Building JiChang Road ShangCheng HangZhou ZheJiang 310004 China

Contain IC: 7361A-P3310

Contain FCC ID:VOB-P3310
