

FCC ID:2AROCFL1

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

(1) this device may not cause harmful interference,
and (2) this device must accept any interference
received, including interference that may cause
undesired operation.

A black, textured mobile phone is shown vertically against a light-colored, textured background. The phone has a silver antenna at the top. A green rectangular box is drawn on the front face, indicating a label location. Inside this box, there is a faint, red-outlined rectangular area. The text "Label Location" and "5cm*2.5cm" is written in red within the green box.

Label Location
5cm*2.5cm
