

Cover letter for C2PC

This application for C2PC is prepared to cover modifications made to the electronic components in Varjo Aero:

FCC ID: 2AROD-004

IC: 24483-004.

The change applies to PMN: Varjo Aero, for which the new HVIN is 4305. The modifications are listed in the operational description. The radiated spurious emissions have been measured and based on the results it was deemed that a C2PC is required.
