Subject : Request for withholding from public disclosure the schematic diagrams, parts lists, operational description and system block diagrams pursuant to an application for certification.

Applicant : GAMING PARTNERS INTERNATIONAL SAS
Product : SMART CHECK POINT
Model : SCP
FCC ID : 2ARQ9-SMARTCP-001

Dear Sir/Madam,

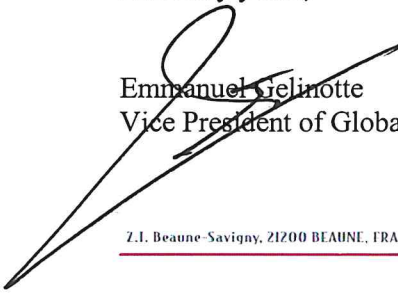

We, Gaming Partners International SAS, would like to request that the schematic diagrams, system block diagrams, parts lists and operational description submitted with the application for certification be withheld from public disclosure as per Section 0.459 of FCC Rules. However, we consent to give up to confidentiality to the internal photos and user manual.

This request is made under the provisions of Section 0.457(d) of the Commission's Rules, and Section 552(b)(4) of the Freedom of Information Act. These sections authorize as a withholding from public inspection materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.
