Tech Specs

Support:	A2DP 1.3\AVCTP 1.4\AVDTP 1.3\AVRCP 1.5\ HFP 1.5 \SPP 1.0\RFCOMM 1.2\PNP 1.3\ HID 1.0\SDP CORE4.2\L2CAP CORE 4.2
Rated Power:	3mW
Frequency response:	20-20K Hz
Signal-to-noise ratio:	> 60dB at 1KHz 0dB 1mW
Battery type:	Lithium-ion (3.7V,40mAh) for single earphone Lithium-ion (3.7V, 400mAh) for charging case
Battery charge time:	1-2 hours
Music Playtime:	4 hours (50% volume), up to 20 hours of battery life
Dimensiones (W x D x H):	52*52*22mm
Weight:	40 g.

To prolong Battery Lifespan, fully charge at least once every 3 months. Battery life will vary due to usage patterns and environmental conditions. Do not expose the Vieta Pro product to liquids without removing all cable connections and close the cap tightly. Do not expose Vieta Pro product to water while charging. It may result in permanent damage to the speaker or product, and power source.

Security

IMPORTANT SAFETY INSTRUCTIONS:
For all the products:
1. Read and follow these instructions.
2. Keep these instructions.
3. Heed all warnings.
4. Follow all instructions.
5. Do not block any ventilation openings. Install this product following the instructions.
6. Do not install this product near any heat sources such as radiators, heat registers stoves or other devices (including amplifiers) that produce heat.
7. Do not defeat the safety purpose of the polarized or grounding-type plug. A polarized plug has two blades with one wider than the other. A grounding-type plug has two blades and a third grounding prong. The wide blade or the third prong I provided for your safety. If the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.
8. Protect the power cord from being walked on or pinched, particularly at plugs, convenience receptacles and the point where they exit from the device.
9. Use only attachments/accessories specified by the manufacturer.
10. Unplug this device during lighting storms or when unused for long periods of time.
11. To disconnect this device from the AC mains completely, disconnect the power-supply card plug from the AC receptacle.
12. The mains plug of the power-supply cord shall remain readily operable.
13. Do not expose batteries to excessive heat such as sunshine, fire or the like.
14. This device is intended to be used only with the power supply and/or charging cable provided by the manufacturer.

Aviso de WEEE: The Directive on Wate Electrical and Electronic Equiment (WEEE), wich entered into force as European law on 14/02/2014, resulted in a major change in the treatment of electrical equipment at end-of-life. The purpose of this Directive is, as first priority, the prevention of WEEE, and in addition, to promote the reuse, recycling and other forms of recovery of such wastes so as to reduce disposal. The WEEE logo is shown on this part.

This product must not be disposed of or dumped with your other household waste. You are liable to dispose of all your electronic or electrical waste equipment by relocating over to specified collection point for recycling of such hazardous waste. Isolated collection and proper recovery of your electronic and electrical waste equipment at the time of disposal will allow us to help conserving natural resources. Moreover, proper recycling of the electronic and electrical waste equipment will ensure safety of human health and environment. For more information about electronic and electrical waste equipment disposal, recovery and collection points, please contact your local city center, household waste disposal service, shop from where you purchased the equipment, or manufacturer of the equipment.

RoHS Compliance.
This product is in compliance with Directive 2011/65/EU and its amendment (EU) 2015/863 of the European Parliament and of the Council of 4 June 2015 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

For Products That Include Batteries.
EU Batteries Directive 2013/56/EU
A new battery directive 2013/56/EU on Battery and Accumulator replacing directive entered into force on the 01/07/2015.

Warranty

WHO IS PROTECTED BY THE WARRANTY.
This limited warranty (the "Limited Warranty") protects only the original end-user ("you" or "your"), and is not transferable and is applicable only in the country (excluding EEA member states and the Russian Federation) in which you originally purchased your Vieta Pro product (the "Product"). Any attempt to transfer this warranty shall immediately make this warranty void.

LIMITED WARRANTY.
FRAMASON AUDIO S.A. is the manufacturer and through its local subsidiary, warrants to you that the Product (including components provided in/with the Product) will be free from defects in workmanship and materials for a period of ONE year from the date of retail purchase by you (the "Warranty Period"). During the Warranty Period, the Product (including components), will be repaired or replaced at Vieta Pro's option, without charge for either parts or labor OR at Vieta Pro's sole option, the price of the Product pro-rated over the remaining balance of the Warranty Period. Any warranty service or replacement of parts will not extend the Warranty Period.

This Limited Warranty does not cover defects which are a result of: (1) damage caused by accident, unreasonable use or neglect (including the lack of reasonable and necessary maintenance); (2) damage during shipment (claims must be presented to the carrier); (3) damage to, or deterioration of, any accessory or decorative surface; (4) damage resulting from failure to follow the instructions contained in your owner's manual; (5) damage resulting from the performance of repairs by someone other than an authorized Vieta Pro service center; (6) deterioration of components parts, the nature of which is to become worn or depleted with use, such as batteries and headphone ear pads.

Furthermore, this Limited Warranty covers only actual defects withing the Product itself, and does not cover the costs of installation or removal from a fixed installation, setup or adjustments, claims based on misrepresentation by seller, performance variations resulting from installation-related circumstances such as source quality or AC power or Product modifications, any unit on which the serial number has been effaced, modified or removed, or units used for other than home use. This Limited Warranty is valid only for Vieta Pro products purchased from an authorized dealer.

Except to the extent expressly prohibited in your jurisdiction by applicable law, all implied warranties, including fitness for a particular purpose and merchantability are hereby excluded and in no event shall Vieta Pro or any FRAMASON AUDIO S.A. subsidiary be liable for any indirect, direct, incidental, special or consequential loss or damages whatsoever (including, without limitation, other pecuniary loss) arising out of the use of or inability to use the Product, even if Vieta Pro and/or FRAMASON AUDIO S.A. subsidiary have been advised of the possibility of such damages. To any extent that FRAMASON AUDIO S.A. cannot lawfully disclaim implied warranties under this Limited Warranty, all such implied warranties are limited in duration to the duration of this warranty. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or exclusions or limitations on the duration of implied warranties or conditions, so the above limitations or exclusions may not apply to you. This warranty gives your specific legal rights, and you may also have other rights that vary by jurisdiction.

HOW TO OBTAIN WARRANTY SERVICE.
Contact the dealer who sold you this Product, or contact Vieta Pro customer support using the contact information on the relevant country specific support website for your Product to request warranty service. To validate your right to this Limited Warranty, you must provide the original sales invoice or other proof of ownership and date of purchase. Do not return your Product without prior authorization from the corresponding dealer or Vieta Pro (FRAMASON AUDIO S.A.) Warranty repair of the Vieta Pro product must be carried out by and authorized dealer or service center. Unauthorized warranty repair will void the warranty and is performed at your sole risk.
You are also welcome to consult the relevant country specific Vieta Pro support website for your Product for helpful hints.

WHO PAYS FOR WHAT.
This Limited Warranty covers all expenses for labor and materials required for the repair OR replacement of the Product that is found to be defective, and a reasonable return shipping charge within the country of repair. Please be sure to save the original shipping carton(s), because a charge will be made for additional cartons/packaging.
You will be charged for the cost of examining a unit that is not in need of repair (including resulting shipping costs), or for necessary repairs not covered by this Limited Warranty.
We sincerely thank you for your expression of confidence in Vieta Pro.

FOR ALL EU COUNTRIES:
For products that include audio out.
Prevention of hearing loss.

Caution: Permanent hearing loss may occur if earphones or headphones are used at high volume for prolonged periods of time.
The products have been tested to comply with the sound Pressure Level requirement laid down in the applicable NF EN 50332-1:2013 and/or EN 50332-2:2013 standards as required by French article L.5232-1.

For All Products with Wireless Operation:
FRAMASON AUDIO S.A. hereby declares that this equipment is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. The declaration of conformity may be consulted on our Web site www.vieta.es.

CAUTION

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.

CAUTION

Changes or Modifications not expressly approved by the party responsible could void the user's authority to operate this device.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
-- Reorient or relocate the receiving antenna.
-- Increase the separation between the equipment and receiver.
-- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-- Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement: This equipment complies with FCC radiation exposure requirement. The device can be used in portable exposure condition without RF striction.
