

Compliance Information

READ CAREFULLY AND KEEP THIS MANUAL

FCC Information

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Radiation Exposure Information

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

Rating Label Definitions

— Direct current symbol.

This symbol signifies the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Proper disposal and recycling helps protect natural resources, human health and the environment.

This symbol signifies and declares that this equipment has battery charging which complies with California CEC and energy efficiency.

This symbol signifies that this is a wireless device powered by Bluetooth® technology. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc.

Warranty Information

This product as supplied and distributed new by Southern Telecom, Inc. to the original consumer purchaser is warranted by Southern Telecom against defects in material and workmanship for a period of one year from your date of purchase ("Warranty"). In the unlikely event that this product is defective, or does not perform properly, you may within one year from your original date of purchase return it to the authorized service center for repair or exchange.

Obtaining Warranty Service

To obtain warranty service on your ART+SOUND product go to our website, SouthernTelecom.com, and click on **Product Support**. Select **ART+SOUND**, then click on **Service Request** to get started.

Your product will be repaired or replaced, at our option, for the same or similar model of equal value if examination by the service center determines this product is defective. Products received damaged as a result of shipping, will require you to file a claim with the carrier.

Warranty Service Not Provided

This warranty does not cover damage resulting from accident, misuse, abuse, improper installation or operation, lack of reasonable care, and unauthorized modification. This warranty is voided in the event any unauthorized person opens, alters or repairs this product. All products being returned to the authorized service center for repair must be suitably packaged.

Limitation of Warranty

The warranty stated above is the only warranty applicable to this product. All other warranties, express or implied (including all implied warranties of merchantability or fitness for a particular purpose) are hereby disclaimed. No verbal or written information given by Southern Telecom, Inc. Its agents, or employees shall create a guaranty or in any way increase the scope of this warranty. Repair or replacement as provided under this warranty is the exclusive remedy of the consumer. Southern Telecom, Inc. Shall not be liable for incidental or consequential damages resulting from the use of this product or arising out of any breach of any express or implied warranty on this product. This disclaimer of warranties and limited warranty are governed by the laws of the State of New York. Except to the extent prohibited by applicable law, any implied warranty of merchantability or fitness for a particular purpose on this product is limited to the applicable warranty period set forth above.

Some countries, states or provinces do not allow the exclusion or limitation of incidental or consequential damages or allow limitations on warranties, so limitation or exclusions may not apply to you. This warranty gives you specific legal rights, and you may have other rights that vary from state to state or province to province. Contact your authorized retailer to determine if another warranty applies.

All product names, trademarks, and registered trademarks are property of their respective owners. All company, product, and service names used in this document are for identification purposes only. Use of these names, trademarks, and brands does not imply endorsement.

📦 In the Box

- AR-ELCFSS - Festival Stick Wireless Speaker (x1)
- USB Charging Cable (x1)
- Instruction Manual (x1)

Location of Controls

Getting Started

⚡ Charging the Speaker

Plug the small connector of the USB cable into the USB charging port on the end of the stick. Plug the other end into the USB port on your computer, a USB charging device, or a **5V USB charging adapter** (not included) and plug into a wall socket.

The LED indicator will **turn RED** while charging and turn off when full charged.

On low power, a tone will be periodically heard, indicating that the speaker should be charged.

🔋 Using the Speaker & Lights

Make sure that the speaker has been charged.

- Move the **[Power]** switch to the ON position. A voice will be heard, the lights will turn on, and the speaker will enter Bluetooth pairing mode. The speaker will automatically re-pair to any nearby, previously-paired device.
- Move the **[Power]** switch to the OFF position to power OFF.

🔗 Connecting with Bluetooth

1. Power the speaker ON. A voice will be heard.
2. Set your mobile device to search for Bluetooth devices. When it appears, select **AR-ELCFSS** from the list of found devices.
3. After a successful pairing, a voice will be heard.
