

WARNING:
READ AND FOLLOW ALL INSTRUCTIONS
SAVE THESE INSTRUCTIONS

The power source should meet limited power source or PS2 requirements according to IEC 62368-1/UL62368-1. Check with your local authority or retailer for recycling advice. Battery disposal should be in compliance with any local regulations that address the disposal of hazardous materials.

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/ TV technician for help.
