Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, likely a module, placed on a blue textured surface. The component has a rectangular shape with a central cutout and various soldered components. A black ruler with white markings is positioned vertically to the left of the component, showing measurements in millimeters. The ruler markings range from 0 to 100 mm.
Antenna View	 A photograph of the same green PCB component, showing the antenna side. A red rectangular box highlights a specific area on the top edge of the component, labeled "2.4G Antenna". The component is placed on a blue textured surface.
