

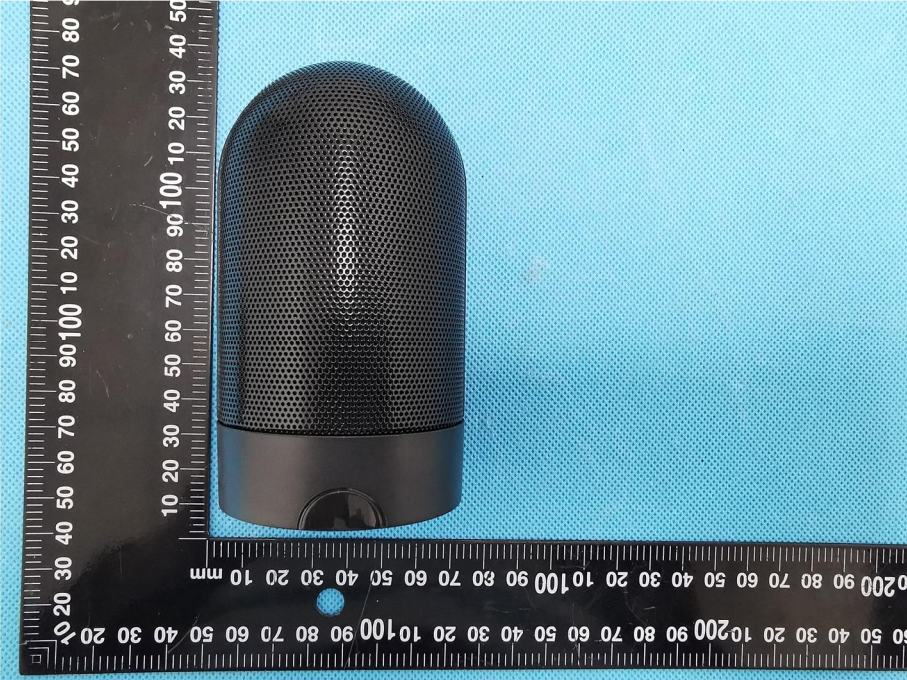

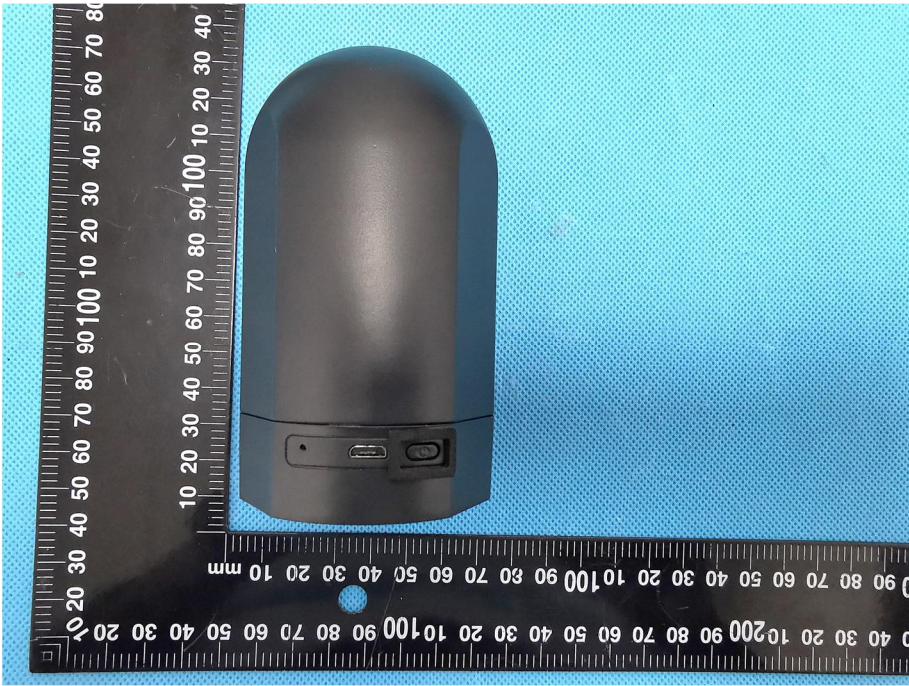

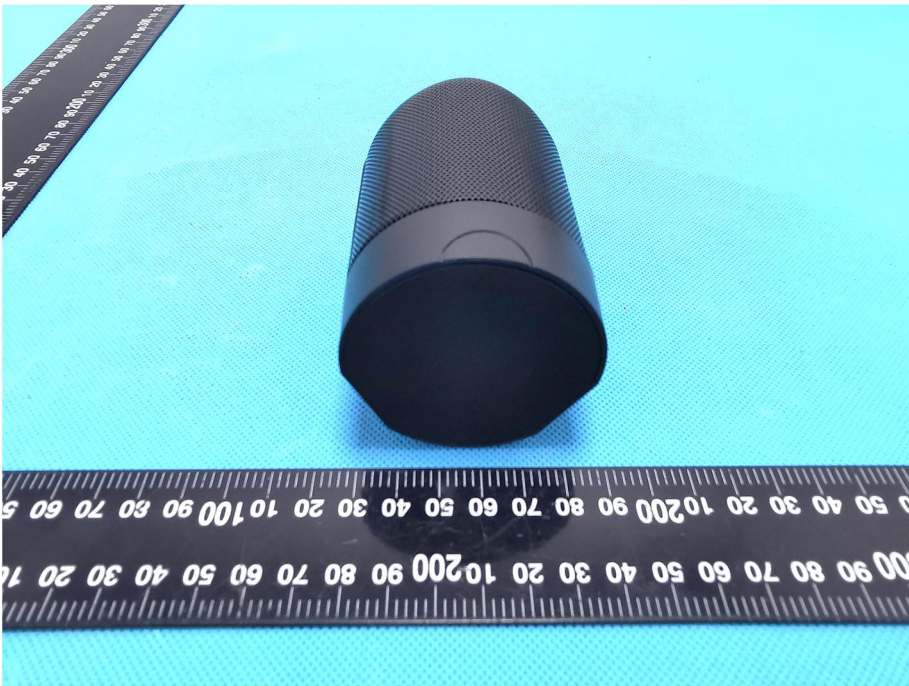

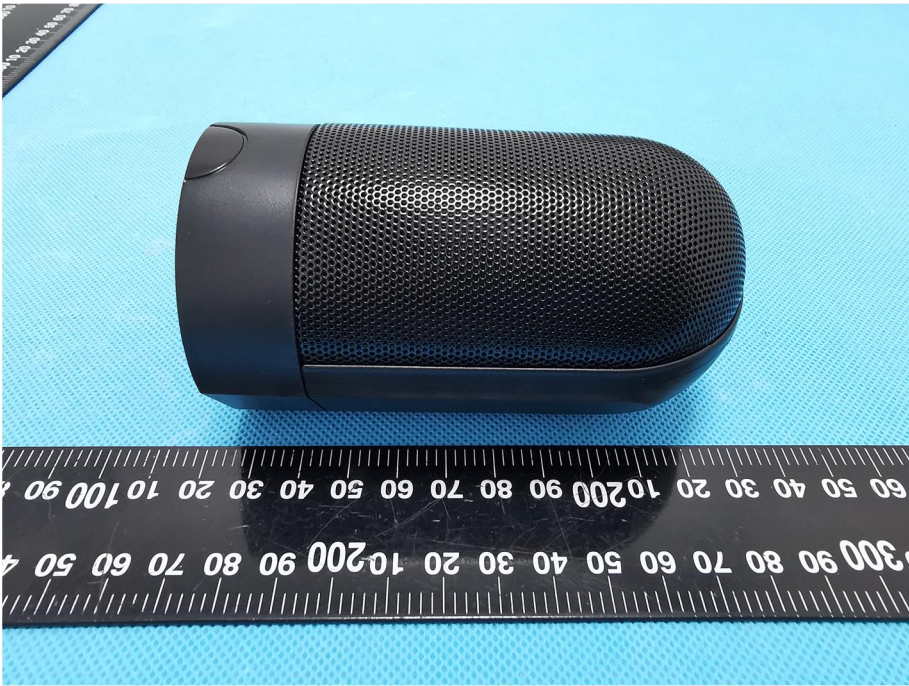

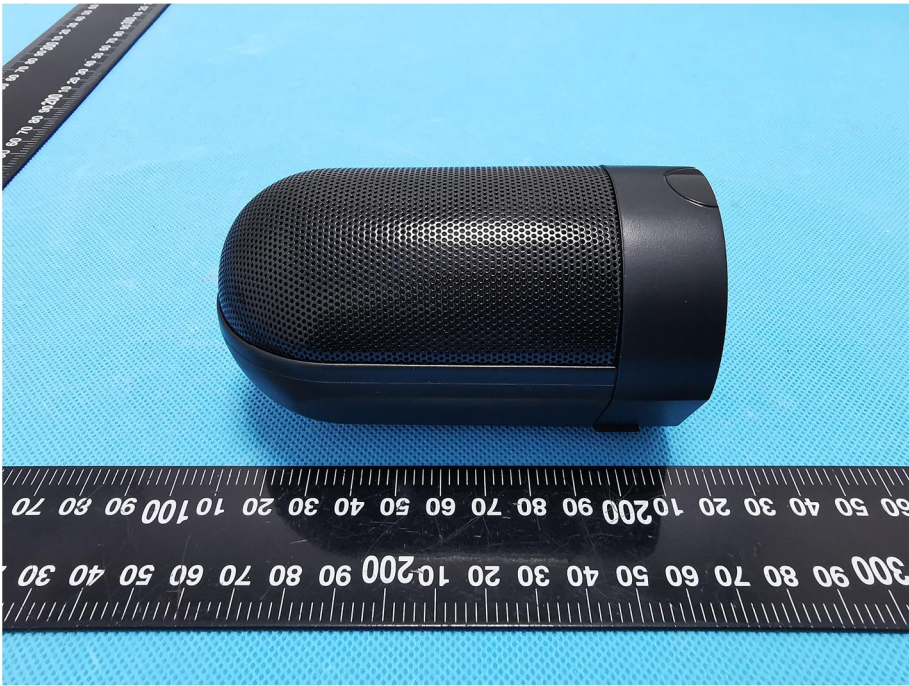

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

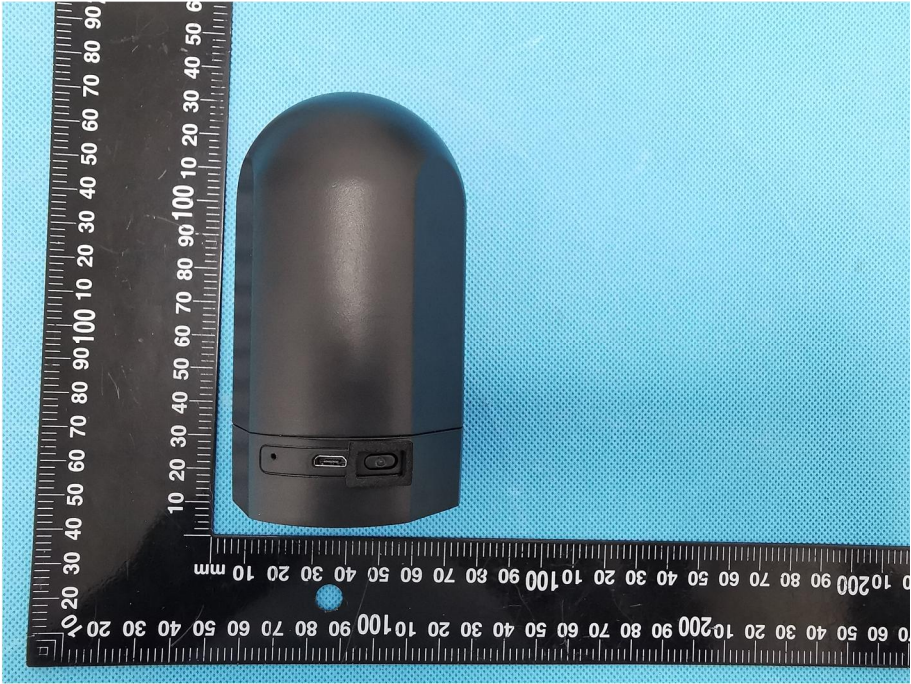

EUT View 1	
EUT View 2	

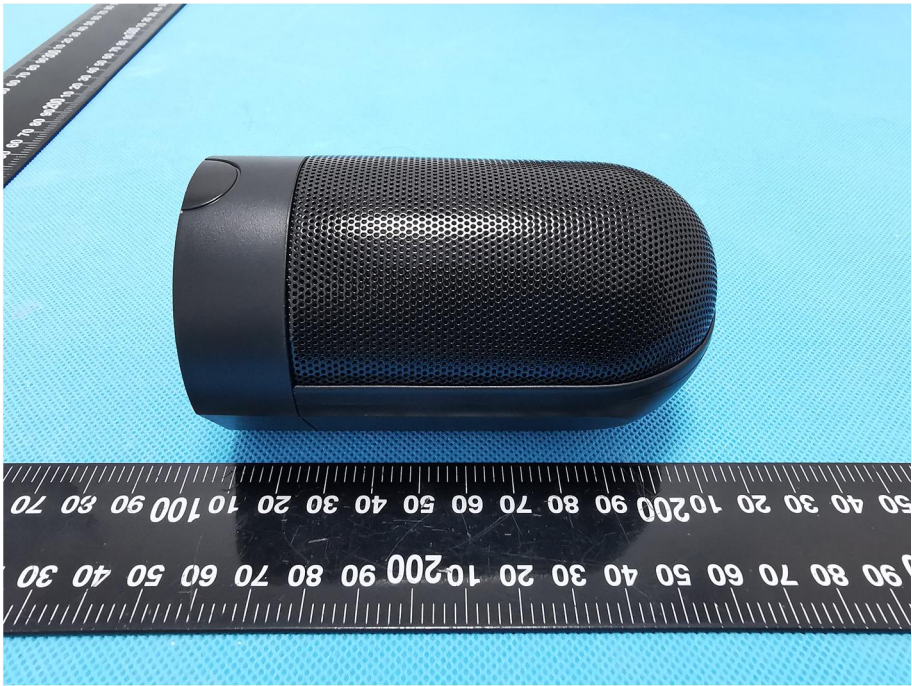

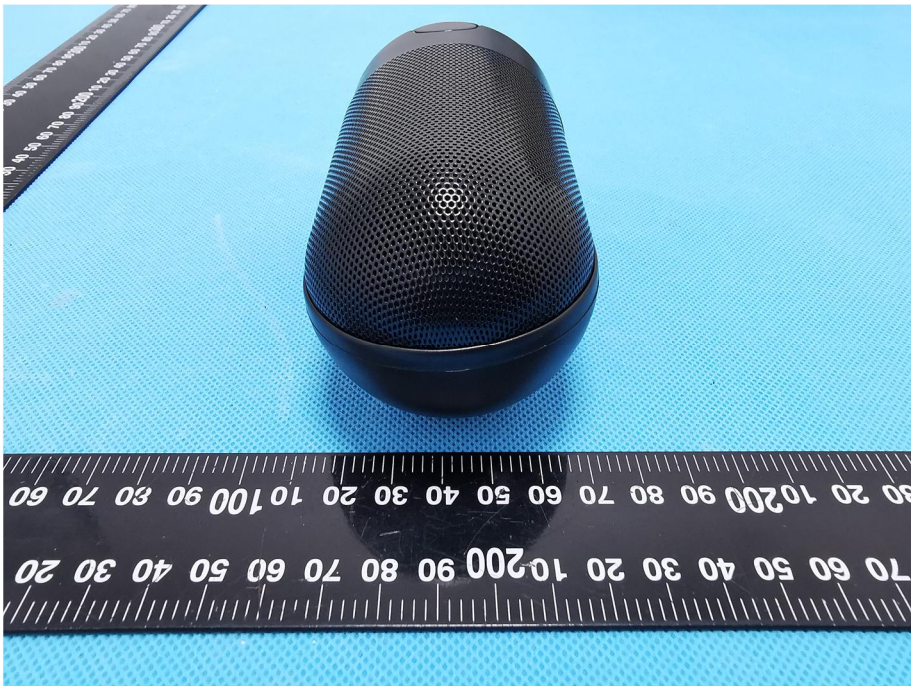

EUT View 3	 A photograph showing two identical black, dome-shaped electronic units. Each unit has a small rectangular cutout on its side and a base with a USB port and a small button. They are placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
EUT View 4	 A photograph showing a single black, dome-shaped electronic unit. The top half of the dome is covered in a fine, circular mesh grille. The base is solid black and features a small circular port. The unit is placed on a blue textured surface next to a black ruler with white markings.

EUT View 5	 A black, dome-shaped electronic device is shown from a side profile. It has a smooth, rounded top and a flat base. On the side of the base, there is a small rectangular port (likely USB) and a small circular button. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters.
EUT View 6	 A black, cylindrical electronic device is shown from a top-down perspective. The top surface is covered in a fine, woven mesh texture. The bottom of the cylinder is flat. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters.

EUT View 10	

EUT View 11	 A black, dome-shaped electronic device is shown from a top-down perspective. The device has a smooth, rounded top and a flat base. On the base, there is a USB port and a small circular power button. The device is placed on a light blue textured surface. A black ruler with white markings is positioned vertically to the left of the device, showing measurements in centimeters and millimeters. The ruler is marked from 0 to 100 mm.
EUT View 12	 A black, cylindrical electronic device is shown from a side perspective. The device has a mesh grille on its side and a smooth, rounded top. It is placed on a light blue textured surface. A black ruler with white markings is positioned horizontally below the device, showing measurements in centimeters and millimeters. The ruler is marked from 0 to 100 mm.
