

A hand is holding a small, black, oval-shaped component with a textured, tire-like surface. This component is being positioned next to a larger, black, rectangular device with a textured top surface. The device has a small, dark, rectangular feature on its top surface. The background is a light-colored wooden surface.

FCC ID:2AS6C-LQD9010-9020

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
