The image shows a white, circular, flat electronic device, likely a portable power bank or a similar energy storage device, with an orange cable attached. The device is placed on a blue surface next to a metal ruler for scale. The ruler indicates the device is approximately 10 cm in diameter. The device has a label with the 'yoto' logo, a QR code, and various technical specifications and safety warnings in Chinese and English.

Label text (clockwise from top):

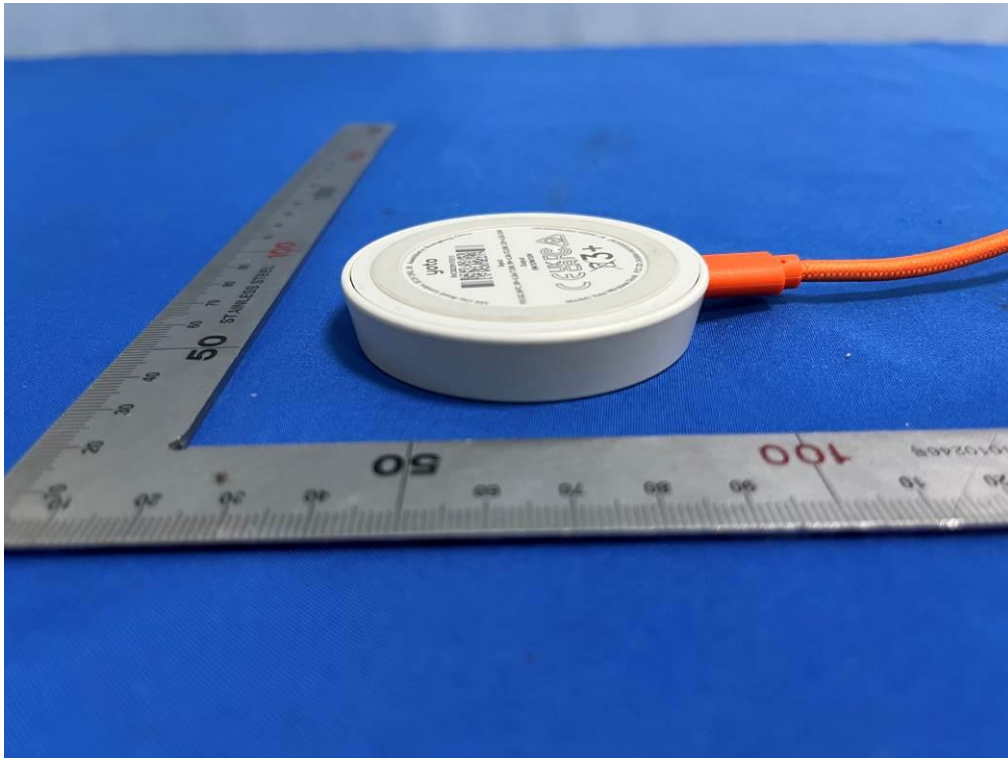

- WARNING: Do not use this device to charge flammable liquid or gas containers.
- CE mark and RoHS symbol.
