

<div>Solder Board-Component View 5</div>	 A photograph of a small, irregularly shaped black printed circuit board (PCB) component. The component has a central circular hole and several smaller holes around its perimeter. It is populated with various electronic components, including several small white surface-mount components and several yellow components. The component is placed on a blue textured surface. A black ruler with white markings is visible in the background, showing measurements in millimeters.
<div>Solder Board-Component View 6</div>	 A photograph of the same black PCB component from a different angle. This view shows more detail of the components, including a white connector on the right side and various surface-mount components. The component is placed on the same blue textured surface. A black ruler with white markings is visible in the background, showing measurements in millimeters.
