Solder Board-Component View 12	 A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 12'. The component is rectangular with rounded corners and features several circular mounting holes. It is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler is oriented vertically, showing measurements from 0 to 100 mm. The component has a white label with the word 'LABEL' printed on it. The PCB is populated with various electronic components, including a small integrated circuit (IC) and several surface-mount components.
Antenna View	 A photograph of a green printed circuit board (PCB) component, labeled 'Antenna View'. The component is rectangular and features a prominent antenna structure on its left side. It is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler is oriented vertically, showing measurements from 0 to 100 mm. The component has a white label with the text 'BT Antenna' printed on it. The PCB is populated with various electronic components, including a small integrated circuit (IC) and several surface-mount components.
