Solder Board-Component View 6	 A photograph of a green printed circuit board (PCB) component, labeled 'View 6', showing its solder side. The board is populated with various electronic components, including several electrolytic capacitors, a central integrated circuit (IC), and other surface components. It is positioned next to a black L-shaped ruler with white markings in millimeters for scale. The background is a blue textured surface.
Solder Board-Component View 7	 A photograph of the same green PCB component, labeled 'View 7', showing its reverse side. A large, rectangular, silver-colored solder mask or component is visible in the center. The board has four mounting holes at the corners. It is placed next to the same black L-shaped ruler for scale, against a blue textured background.
