粘贴位置如下:

A detailed line drawing of the Kress KR238 lawn mowing robot from a front-three-quarter perspective. The robot has a rectangular body with rounded corners, a top-mounted mowing deck, and two large side-mounted wheels. On the front panel, there is a horizontal strip of warning icons. Below this strip, on the lower front panel, there is a pink rectangular box indicating the location for the parameter label. The robot is shown on a flat surface with three circular fasteners visible at the bottom.
