Re: Request for confidentiality  
FCC ID: 2ASDBMA-0382-5

To whom it may concern,

We hereby respectfully request that under the provision of 47 CFR 0.459 and 0.457(d) the documents listed below and attached with this application for certification be provided with confidential status.

- Operational Description
- Block Diagram
- Schematics
- Track and Component Layout Drawings
- Parts List
- User's Manual
- Internal Photographs
- Antenna Information

Any exhibit / information for which we have requested confidentiality, but which may not be accorded such treatment by the FCC, should be returned to us.

The documents listed above contain trade secrets that are treated as confidential by us. Substantial competitive harm to us could result should they be made available to the public.

The device meets the special conditions laid down in KDB 726920 D01 v01r02, clause II.3)a)+b) for Long-Term Confidentiality of Internal Photos and User Manual, which we hereby request. The circuit board and internal components are not accessible to end users since the device is only to be used and serviced by CMR Surgical. The device is not accessible to the public since the device is intended for installation wholly into end

products. The manual contains proprietary technical information intended for professional technicians of CMR Surgical only. The device and user manual are not for sale and is for internal use only.

Yours faithfully,  
CMR Surgical Ltd
