System Requirements

1. Windows 7/8/8.1/10/11
2. PC (Equipped with USB-A 2.0 port)

Get Started....

Wired mode

Plug and play: Take out the USB-A to TYPE-C cable from the box and connect the mouse to an available USB port.

Wireless mode

1. Remove the receiver from the box and plug it into an available USB port.

2. Turn on the power switch ⑩ at the bottom of the mouse and it will connect automatically.

DPI settings

To adjust the DPI settings, you can do the following:

1. After plugging in the mouse into the USB port of the computer, press ④ to adjust the DPI level.
 - Number of DPI levels: 4.
 - Default Settings: DPI: 800 (DPI1) - 1600 (Default, DPI2) – 3200 (DPI3) – 6400 (DPI4)
2. Open the Mad Catz ALL-IN-ONE Companion Software.
 - Select M.M.O. 7+ and click on the Feature Settings page.
 - Select the desired setting and fill in the desired DPI value (or drag the DPI bar).
 - Max DPI: 26000

Troubleshooting

Troubleshooting

1. Unplug the USB and plug it back into your computer's USB port.
2. If possible, try plugging your mouse into the USB port of another computer.
3. A powered USB port should be used.
4. Try restarting your PC.
5. For more information or assistance, please visit www.madcatz.com

Precautions

1. To reduce the risk of fire or electric shock, do not expose this device to rain or moisture.
2. Do not modify the device, as this will void the warranty and may cause accidental damage to the device.
3. If you feel any discomfort while operating this product, immediately discontinue use of M.M.O. 7+. If this persists, seek medical attention.
4. This product contains some small parts. If swallowed, it can cause choking. Therefore, it is not suitable for children under 3 years of age.

FCC STATEMENTS

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CANADA (IC) STATEMENTS

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- (1) This device may not cause interference.
(2) This device must accept any interference, including interference that may cause undesired operation of the device.

L' émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d' Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L' exploitation est autorisée aux deux conditions suivantes :

- (1) L' appareil ne doit pas produire de brouillage;
(2) L' appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

WARNING

WARNING: This product can expose you to Styrene, which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.

ATTENTION : Ce produit peut vous exposer au "Styrène", étant connu de l'état de Californie comme cause de cancer. Pour plus d'informations, rendez-vous sur www.P65Warnings.ca.gov.
