

SonicSensory, Inc.

Request for Confidentiality

Date: 6-10-2019

FCC ID: 2ASGN-EP01R

To whom it may concern:

Pursuant to the provisions of Sections 0.457(d) and 0.459 of the FCC Rules, SonicSensory Inc. hereby requests confidential treatment for documents filed with the Commission in connection with the application for equipment authorization referenced above.

Permanent Confidentiality

SonicSensory Inc. requests that the Commission withholds the following documents from public viewing indefinitely:

- Block Diagrams
- Electrical Schematics
- Theory of Operation
- Internal Photographs*

SonicSensory Inc has spent substantial effort in developing this product and it is one of the first of its kind. These documents reveal detailed technical and design information that is protected by SonicSensory Inc. as confidential and proprietary trade secrets. This information is not disclosed to the public even after commercial release of a device and disclosure of this information by the Commission would harm SonicSensory Inc. by giving competitors an unfair advantage. *Our circuit board is sealed within the shoes midsole and is not user accessible without irreparable damage to the unit.

Short Term Confidentiality

In addition to the above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, SonicSensory Inc. requests that the Commission withholds the following documents from public viewing for one hundred eighty days (180) after the date the grant of equipment authorization is issued:

- External Photographs
- Test Setup Photographs
- User Manual

This request is in order to avoid premature release of sensitive information prior to marketing or release of the product to the public. SonicSensory Inc. believes the period of confidentiality requested is necessary to protect the information until the commercial release of a device. It is our understanding that measurement test reports and FCC ID label format cannot be granted as confidential documents and this information will be available for public review once the grant of equipment authorization is issued.

Sincerely,

July 8, 2019
