Solder Board-Component View 12

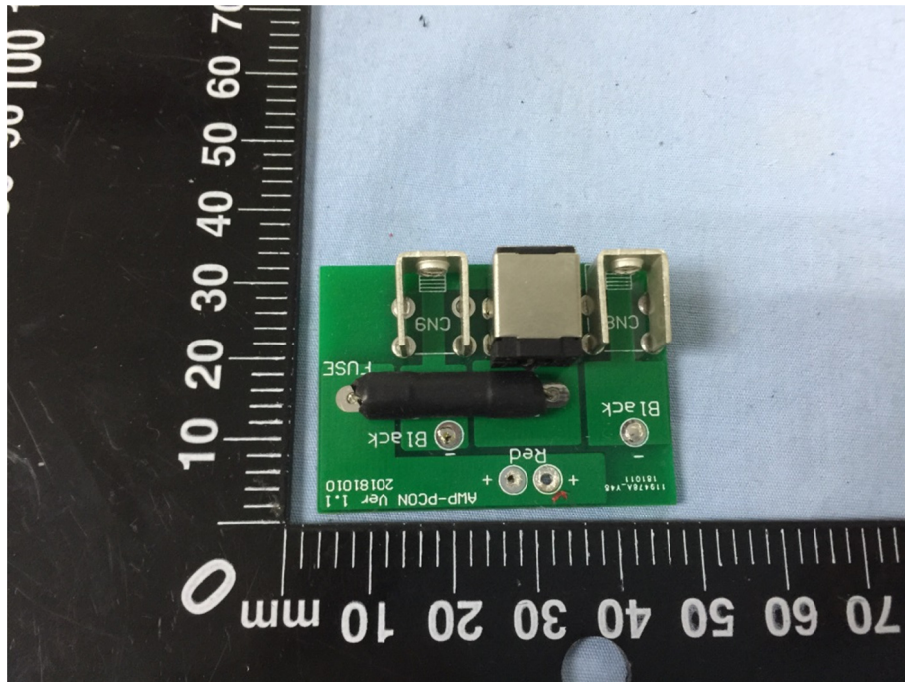

The image shows an ESP-12-F module, a common microcontroller board. The module is small and black, with various pins and labels. A ruler at the top provides a scale in millimeters (0 to 50 mm) and centimeters (10 to 40 mm). The module is placed on a light blue textured surface.

Labels on the module include:

- ESP-12-F
- L4
- CSB
- INT50
- GP109
- GP1010
- MO51
- SCLK
- TXD0
- RST
- ADC
- EN
- GP106
- GP105
- GP104
- GP108
- GP102
- GP1015
- GP1013
- WCC
- GPIO
