11126 McCormick Rd  
Hunt Valley, MD 21031, USA

[ventevmobile.co.uk](http://ventevmobile.co.uk)

## Installation

### INSTRUCTIONS

- Connect the power adapter to an AC outlet
- Connect power adapter to the USB-A to USB-C cable
- Connect USB-C end of cable to the wireless charger
- The LED will flash rapidly then return to off

Note: Only QC 2.0 and QC 3.0 power adapters support this product's quick charge function.

## Safety Instructions

### WARNING

Do not expose the product to fire or other high temperature environments. The recommended usage temperature is between 32°F – 113°F.

- To reduce the risk of electrical shock, use only in dry locations. For indoor use only. Never use product if it is damaged.
- Do not place too close to magnetic strip or chip card (ID card, ATM cards, etc.) to avoid magnetic failure.

- Please keep at least a 20cm distance between implanted medical devices (pacemakers, implanted cochlear, etc.) and the wireless charger to avoid potential interference with the medical device.
- Keep out of the reach of children.
- Improper use of this product shall void the manufacturer's warranty. No liability is accepted for damage.

## FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: The user is cautioned that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC RF Radiation Exposure Statement: This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20cm between the radiator and any part of your body.

FCC Compliance Statement  
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

## WEEE & End of Life Statement

### Waste Electrical and Electronic Equipment Directive Statement Disposal Information

The barred symbol of the crossed-out wheeled rubbish bin shown on the product means that at the end of the its useful life, the product should not be disposed of with household waste. All electronic products with the WEEE logo must be collected or sent to approved operators for safe disposal or recycling. Check with your local authority or retailer for further details on your designated collection points where you can safely dispose of your electronic equipment.

## Warranty

The Ventev Limited Warranty guarantees to the end user of this product that it is free from defects in material and workmanship – and that if used in accordance with any accompanying labels or instructions, it will perform as specified for two years from the date of purchase. This limited warranty does not cover loss, theft, damages caused by accident,

misuse, modification, or normal wear and tear. This warranty is Ventev Innovations' only warranty. There are no other express or implied warranties for these products, including any warranty of merchantability or fitness for a particular purpose; and purchaser's remedy is limited to the repair or replacement of the product. This warranty is governed by the laws of the country in which you purchased your Ventev product. The product must have been purchased through an authorized dealer.  
Ventev will not be liable for any indirect, incidental, or punitive damages arising from the use of any Ventev products. The Ventev Limited Warranty does not, in any situation, cover the repair or replacement of property, including but not limited to, electronic devices and/or other personal property.
