|                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
|-----------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>Solder<br/>Board-Component<br/>View 2</b></p> |  A photograph showing a small green printed circuit board (PCB) component, identified as a WAGO 84V-C E128764 RoHS, placed on a blue textured surface. The component is positioned next to a black L-shaped ruler with white markings in millimeters. The ruler's horizontal scale ranges from 0 to 100 mm, and the vertical scale ranges from 0 to 100 mm. The component is oriented horizontally, with its longer side parallel to the 0-100 mm scale of the horizontal ruler. |
| <p><b>Solder<br/>Board-Component<br/>View 3</b></p> |  A photograph showing the same green PCB component from a different perspective, likely the reverse side or a different angle. It is placed on the same blue textured surface next to the same black L-shaped ruler. The component is oriented vertically, with its longer side parallel to the 0-100 mm scale of the vertical ruler.                                                                                                                                           |
