

Solder Board-Component View 8	 A photograph of a small, irregularly shaped black printed circuit board (PCB) component. The component features several surface-mounted components, including a large yellow circular component, a red component, and various smaller electronic components. It is placed on a blue textured surface next to a black L-shaped ruler with white markings in millimeters. The ruler indicates the component is approximately 40mm wide and 30mm high.
Solder Board-Component View 9	 A photograph of a rectangular black printed circuit board (PCB) component. The component has a dense array of surface-mounted components, including a large central chip and numerous smaller components. It is placed on a blue textured surface next to a black L-shaped ruler with white markings in millimeters. The ruler indicates the component is approximately 40mm wide and 20mm high.
