## 安全信息

2012年，国家出台了一系列政策，为制造业企业减负和扩大内需，从而带动消费品零售市场扩大。随着消费结构的升级，人们开始追求更高层次的消费，这为消费品零售企业提供了巨大的市场空间。同时，随着互联网的普及，线上消费逐渐成为主流，这也为消费品零售企业提供了新的销售渠道。因此，消费品零售企业应抓住机遇，加大研发投入，提升产品质量，拓展销售渠道，以满足市场需求。

### FCC Warning Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

Packing List: Bluetooth Speaker\*1  
Micro USB Charging Cable\*1

- Connecting Device**
- When you turn it on for the first time, the speaker will automatically search nearby Bluetooth devices and will pair (or pairing) with the closest, please turn on other Bluetooth devices and search nearby Bluetooth devices to find the speaker, click on the speaker on the display screen to "Pair" for it. (To complete part 2.)
- When you turn it on, the speaker will automatically search and pair the saved paired Bluetooth device. If no Bluetooth device meets the requirements is not found, the speaker will enter a state of waiting for pairing, and will re-offer Bluetooth devices to pair with it.

### Buttons Function

- **Power Switch**  
Press and hold the "Power" button for 3 seconds. It will turn on or off. After power on, tap "Power" to press and hold the button to shut down the Remote Control. When the battery is low, the speaker will automatically shut down. You need to use the charging cable to charge it.
- **Light button**  
Tap the "Light" button to turn on the light. After it turns the light, tap the button to change the color temperature. Press and hold it for 3 seconds to turn off the light.

### Indicators and Interfaces

- ④ Power-on and Indicator/Connector indicator  
The blue light will flash when the power is turned on. If the speaker connects with another Bluetooth device, the blue light will keep on.
- ⑤ Charging indicator (light)  
When the charging cable is connected, there is light, so it will turn off after the battery is fully charged. The red light flashes slowly when the power is only 30% remaining, and it will flash quickly when the power is only 5% remaining.
- ⑥ Charging indicator (light)  
Connect the speaker to a charger (voltage is 5V) or a computer's USB port to charge it via the micro USB cable.

## External discharge interface (Output)

## Night, DayPet

- (C) When the right light is turned on, a uniform light is emitted here.

Speaker with APP sync operation function (refer to the following operating instructions for speakers with APP function. Please ignore it there is no such function)

- Scan the QR code to download the *Fluoro-APP* and install it in your smart phone or pad.

Install the APP on the device and run it. When you

- resources of the speaker and enter the rns interface.
