• Frequency Response: 20Hz~20KHz
• Distortion: ≤1%
• Driver Size: 1.5" *2 + 2.5" *2 + 8"

Malfunction analysis:
Consult the after-sale service for help.

Legal information:
Any copy, changes or modifications of the user manual humid not expressly approved unless dealer's permission.

Caution:
1. Do not take this apparatus apart or repair it.
2. Do not use this apparatus near water and humidity.
3. Clean only with a dry cloth.

Limited Warranty:
You may within 1 year from your original date of purchase return it to the authorized service for repair.

Cautions and warnings:
1. Do not use the Bluetooth speaker near water or humidity; do not use the device near the bathtub, water tank, swimming pool and so on.
2. Do not install the Bluetooth speaker in extreme hot or cold environments.
3. Do not expose the device in the sunshine directly.

4. Do not use the device near fire, such as, stove, candle or fireplace and so on.
5. Do not use abrasive cleaning solvents to clean the Bluetooth speaker.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.
If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
— Reorient or relocate the receiving antenna.
— Increase the separation between the equipment and receiver.
— Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
— Consult the dealer or an experienced radio/TV technician for help.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance of 20 cm between the radiator and your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment
