User Manual

Please read this manual carefully before operating the speaker. Please store this manual with you for future speaker.

Introduction

Congratulations on your purchase!

We encourage you to take a few minutes to read this manual, which describes the product and includes step-by-step instructions to help you to enjoy the product features. Read and understand all the safety instructions before using your product.

If you have any questions about this product, its installation or its operation, please contact your retailer or customer service.

Important Safety Instructions

1. Read all warnings.
2. Follow all instructions.
3. The apparatus shall not be exposed to dripping or splashing. Do not place any objects filled with liquids such as vase on the apparatus.
4. Do not block any ventilation openings. A minimum distance of 30cm around the apparatus must be maintained.
5. Do not install this apparatus near any heat sources such as radiators, heat registers, stoves or other apparatus (including amplifiers) that produce heat.
6. No naked flame sources, such as lighted candles should be place on the apparatus.
7. Protect the power cord from being walked on or pinched, particularly at plugs, convenience receptacles and the point where they exit from the apparatus.
8. Use only attachments and accessories specified by the manufacturer.
9. Unplug this apparatus during lightning storms or when unused for long duration.

CAUTION	
RISK OF ELECTRIC SHOCK. DO NOT OPEN.	
	THE LIGHTNING FLASH WITH AN ARROWHEAD SYMBOL, WITHIN AN EQUILATERAL TRIANGLE, IS INTENDED TO ALERT THE USER TO THE PRESENCE OF UNINSULATED "DANGEROUS VOLTAGE" WITHIN THE PRODUCT'S ENCLOSURE THAT MAY BE OF SUFFICIENT MAGNITUDE TO CONSTITUTE A RISK OF ELECTRIC SHOCK TO PERSONS.

FCC Warning

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

NOTE 2: Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
