

新A1说明书 (由我3019E, 调整字号)
57*66mm

   The power delivered by the charger must be between min 2.5 Watts required by the radio equipment, and max 5.0 Watts in order to achieve the maximum charging speed Thank you for purchasing the TOZO authentic product. For more latest products, parts and accessories, please visit: www.tozostore.com For any assistance please contact Email: info@tozostore.com  Scan the QR code to get the manual in other languages	TOZO EN 10.0 Dual Device Connection Note: This feature is disabled by default and must be enabled in the TOZO App. - Power on the earbuds and pair them with Device A.  - Disconnect Device A, then enter pairing mode and connect to Device B.  09	TOZO EN - Reconnect Device A by selecting it from your Bluetooth list. The earbuds will then be connected to both devices simultaneously.  - When the earbuds are connected to two devices simultaneously, if Device A is playing audio and you start playback on Device B, the earbuds will automatically pause playback on Device A and switch to play audio from Device B. 11.0 EU Battery Regulation  This symbol on the battery(ies) or on the packaging indicates that the battery(ies) provided with this product shall not be treated as household 10	TOZO EN waste. Instead, Instead, please separate battery(ies) from other types of waste and recycle it (them) through your local recycling system to protect environment and health.(When Cd is more than 20ppm or Pb is more than 40ppm, the chemical symbol of the excess substance shall be marked under the separate collection symbol) For more detailed information about recycling of this battery(ies), please contact your local authority or the shop where you purchased the product or battery(ies). 12.0 FCC Compliance Statements This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against 11	TOZO EN harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: - Reorient or relocate the receiving antenna. - Increase the separation between the equipment and receiver. - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. -- Consult the dealer or an experienced radio/TV technician for help. RF Exposure Compliance This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. 12	TOZO EN 13.0 ISED Compliance Statements This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions: (1) This device may not cause interference. (2) This device must accept any interference, including interference that may cause undesired operation of the device. L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes: (1) L'appareil ne doit pas produire de brouillage; (2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement. This equipment complies with IC RSS-102 radiation exposure limits set forth for an uncontrolled environment. 13	TOZO EN This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. Cet équipement est conforme aux limites d'exposition aux radiations IC CNR-102 établies pour un environnement non contrôlé. Cet émetteur ne doit pas être colocalisé ou fonctionner en conjonction avec une autre antenne ou un autre émetteur. 14.0 CE-DOC Hereby, [Manufacturer] declares that the radio equipment type [Model No.] is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: www.tozostore.com 14	TOZO www.tozostore.com  A1 TRUE WIRELESS STEREO User Manual
