

## Antenna Describe

|                 |                                                                                                                                             |
|-----------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Antenna         | Internal Antenna                                                                                                                            |
| Antenna Gain    | -1.66dBi                                                                                                                                    |
| Frequency Range | 2.4Ghz-2.483Ghz                                                                                                                             |
| Connector Type  | Direct                                                                                                                                      |
|                 |                                                                                                                                             |
| Manufacturer:   | Shenzhen Worgo Technology Co., Ltd.                                                                                                         |
| Address:        | 26th Floor, Building 1, COFCO Innovation R&D Center,<br>69 District, Xingdong Community, Xin'an Street, Bao'an<br>District, Shenzhen, China |
