FOC regulatory conference

FOC regulatory conference:

**FCC regulatory compliance:**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference.
- (2) This device must accept any interference received, including interference that may cause undesired operation.

**NOTE:** The manufacturer is not responsible for any cracks or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.

**HE Exposure:**  
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.
