

Dated: September 1, 2026

Nemko North America, Inc.

303 River Road, Ottawa, Ontario, Canada K1V 1H2

Attn: Director of Certification

FCC and/or ISED signature authorization letter

Dear Director of Certification,

I, the undersigned, being the authorized representative of applicant company, whose information is currently registered with the FCC and/or ISED, hereby authorize:

Name: Sarah Aleshire

Company: Bell Laboratories, Inc.

Address: 6551 North Towne Road Windsor, WI 53598 USA

to sign FCC and/or ISED certification-related documents on behalf of applicant company.

This delegation is limited to the execution of certification application documents, regulatory correspondence, and related administrative forms associated with FCC and/or ISED equipment certification submissions.

This letter is intended solely to authorise the above-named individual to sign documents on behalf of the applicant. It does not appoint Nemko North America, Inc. or any other party as the applicant's certification agent or representative.

The undersigned remains responsible for all information submitted in support of the certification application.

Sincerely,

A photograph of a handwritten signature in blue ink on a light-colored surface.
