RE: CONFIDENTIALITY REQUEST FOR (Carbon Monoxide Alarm / GS828A-C, GS828C-B #2ASYY-GS828A-C #)

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the (Block Diagram, Schematics, Operational Description) required to be submitted with this application be permanently withheld from public review.

i.e. the above documents are company proprietary information that could never get into the possession of your competition.

Please contact me if there is any information you may need.

Sincerely,

CynthiaXia/Certificate engineer
