

Barking Mat

Important Product Information

Barking Mat (JSW Pet Products, LLC) operating business at 135 E Maryland Ave, Phoenix, AZ 85012, USA has product information available at www.barkingmat.com and questions and inquiries can be directed to:

JSW Pet Products LLC
5150 N 16th St
Suite B-146
Phoenix, AZ 85016

Introduction

Barking Mat, which accompanies this important Product Information, allows you to train your dog to notify you via your smart device when the dog needs to be let outside. When the dog steps on the Barking Mat it triggers a notification via Bluetooth to your smart device of choice. A Barking Mat account is required to activate your Barking Mat.

Pet Training Device – Disclaimer and Waiver of Liability

In no event shall Barking Mat (JSW Pet Products, LLC) be liable for any direct, indirect, punitive, incidental, special, or consequential damages whatsoever arising out of or connected with the use or misuse of the pet training product purchased herein. You agree and acknowledge that any product purchased should be used at your own risk and you should assess the risks individual to your pet before purchasing any product or using any product with or on your pet. You agree that in the event that JSW Pet Product, LLC is deemed liable for any harm caused, the amount which it shall be liable to you shall be limited to the cost of the product.

Safety Precautions

Barking Mat has been designed with the highest concern for safety. However, any electrical device, if used improperly, has the potential for causing fire, electrical shock, property damage or personal injury. To help ensure accident-free operation, follow these guidelines:

- Observe all warnings, precautions and instructions.
- Regularly inspect the AC power adapter for damage.
- Stop use, unplug the AC power adapter from the electrical outlet and disconnect any other cables immediately, if the Barking Mat has been damaged, or if the Barking Mat is functioning in an abnormal manner, produces unusual sounds or smells or becomes hot to the touch.

Use and Handling

- For detailed training instructions see www.barkingmat.com.
- Do not operate the Barking Mat in any vigorous or forceful way.
- The Barking Mat is not a toy and should be kept out of reach of small children.
- The product packaging may include plastic bags, cable ties and fasteners or other packaging parts. Dispose of these properly and keep them out of the reach of children as they could present a choking hazard.
- Do not touch the Barking Mat or connected cables during an electrical storm.
- Do not expose the Barking Mat to unnecessary amounts of water, smoke or steam.
- Do not drop, crush or disassemble the Barking Mat.
- Do not leave outside in harsh conditions including rain, extreme cold and heat, snow or ice.
- Do place your Barking Mat within range of your wireless network.
- Do not submerge or expose the Barking Mat to water outside of the rubber pad region.
- Do not dispose of the mat in fire, or keep in an environment below 0°C or above 50°C.
- Do not disassemble the mat.

Wireless Technology: Bluetooth V4.2
Operation Frequency: 2402MHz-2480MHz
Extreme Temperature: 45°C max.

FCC Statement:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
