

leva® PELVIC DIGITAL HEALTH SYSTEM QUICK START GUIDE

STEP ONE

Download the Renovia app from the App Store® for iOS or from Google Play for Android™. Launch the app and follow the instructions to register your device.

STEP TWO

To access the most up to date Instructions for Use manual, visit **www.renoviainc.com**

The *leva®* Pelvic Digital Health System (*leva* PDHS) is intended for: 1. Strengthening of the pelvic floor muscles; 2. Rehabilitation and training of weak pelvic floor muscles for the treatment of stress, mixed, and mild to moderate urgency incontinence (including overactive bladder) in women. This device interacts with the user via smartphone technology.

leva

Important Safety Information for /eva PDHS: Do not use the /eva PDHS while pregnant, or if you think you may be pregnant, unless authorized by your doctor. Do not leave the /eva in your body for longer than necessary to complete the training session. Do not use the /eva PDHS in any other place in your body or have sexual intercourse while the /eva is inserted. If you experience odor, fever, diarrhea, any signs of infection, or of an allergic reaction, contact your doctor immediately. For a complete summary of the risks and instructions for /eva PDHS, see the most up to date Instructions for Use available at Renovia's website.

Treatment with /eva PDHS is prescribed by your doctor. This treatment is not for everyone. Please talk to your doctor to see if it is right for you. Your doctor should discuss all potential benefits and risks with you.
