

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the external components of the EUT. On a blue background, there is a black rectangular device labeled "LightPix Labs" with a small screen and buttons. Next to it is a black USB cable with a standard USB-A connector. To the right are two white AA batteries, each marked with a large "5". A black ruler with white markings is placed vertically and horizontally to provide scale. The vertical ruler shows the device is approximately 100mm high. The horizontal ruler shows the device is approximately 60mm wide.
EUT View 2	 A close-up photograph of the "LightPix Labs" device. The device is black with a small LCD screen, a "MODE" button, and a power button. It is positioned next to a black ruler with white markings for scale. The ruler indicates the device is approximately 60mm wide and 100mm high.

EUT View 3	
EUT View 4	

EUT View 5	 A black, rectangular electronic component with a gold-plated connector on the right side. It is positioned next to a black ruler with white markings for scale. The component is approximately 30mm wide and 20mm high. The background is blue.
EUT View 6	 A black, rectangular electronic component with a clear window on the top left and the text 'FlashQ FM2' on the right. It is positioned next to a black ruler with white markings for scale. The component is approximately 30mm wide and 20mm high. The background is blue.

EUT View 7	 A top-down view of a black, rectangular electronic device. The device has a power button on the right side and two directional buttons (left and right arrows) on the left side. A small "LOCK" label is visible near the bottom center. The device is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
EUT View 8	 A bottom-up view of the same black electronic device. It shows two circular ports or connectors on the left side. The device is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
