FIND WITH **chipolo.**

- 01 Track your belongings.
- 02 Remote camera button.
- 03 Fits in any Orbitkey Key
Organiser.
- 04 Replaceable CR1632 battery.

No Ad on this panel

Connecting Your Tracker

- 1 Remove the plastic battery pull tab.
- 2 Download the **Chipolo app** from the
iOS app store or Android play store.
- 3 Once logged in, you can add your
tracker through **Partner Products**
under the option **+**

www.orbitkey.com/tracker

Locating Your Tracker

- 1 In the Chipolo app, simply
select the tracker you're
locating and select
Ring To Find.

Locating Your Phone

- 1 Double click the button on
your tracker. If your phone
is within range, it will ring.

How to Use the Remote Camera Button

- 1 In the Chipolo app, select the
tracker you'd like to use as the
camera trigger.
- 2 Select the Camera button within
the app.
- 3 Double click the button on your
tracker to snap a picture.

How to Use the Tassel

- 1 Loop the tassel through
the hole of the tracker.
Pull to secure.

- 2 Insert the other end of
the tassel through an
item you want to track.

- 3 Loop the tracker
through the tassel.

- 4 Secure by pulling
the tracker.

The tassel can be used to attach
the tracker to anything you want to track
(bags, umbrellas, etc.) To learn more,
visit www.orbitkey.com/tracker
