CHARGE EARBUDS FOR 1 HOUR BEFORE FIRST USE

FIND YOUR FIT

Choose the size of silicone ear tips that provides a secure and comfortable fit for the perfect audio seal.

L

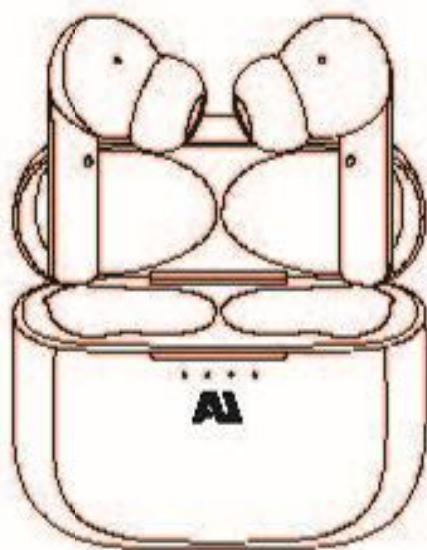

M

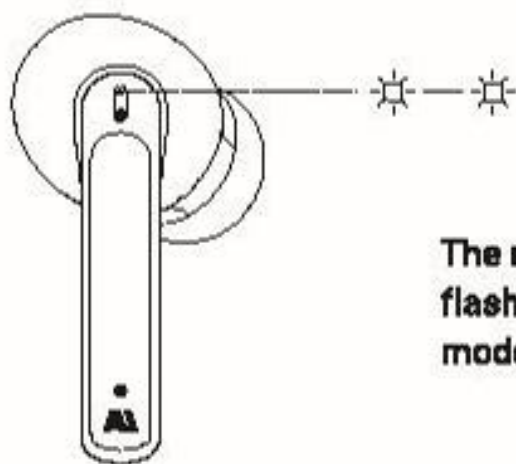

S

PAIRING

1. Open the charging case and remove the earbuds. The earbuds will automatically turn on and enter pairing mode.

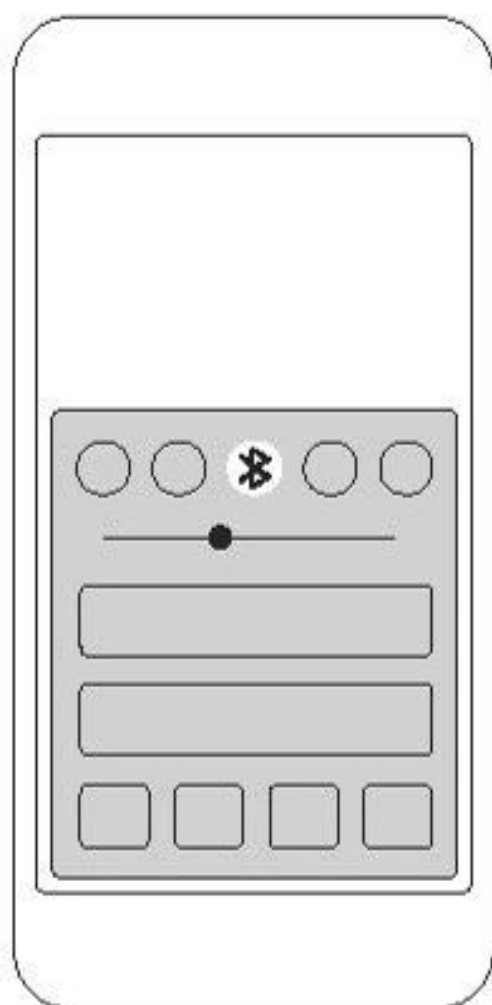

Only remove the right earbud to use independently.

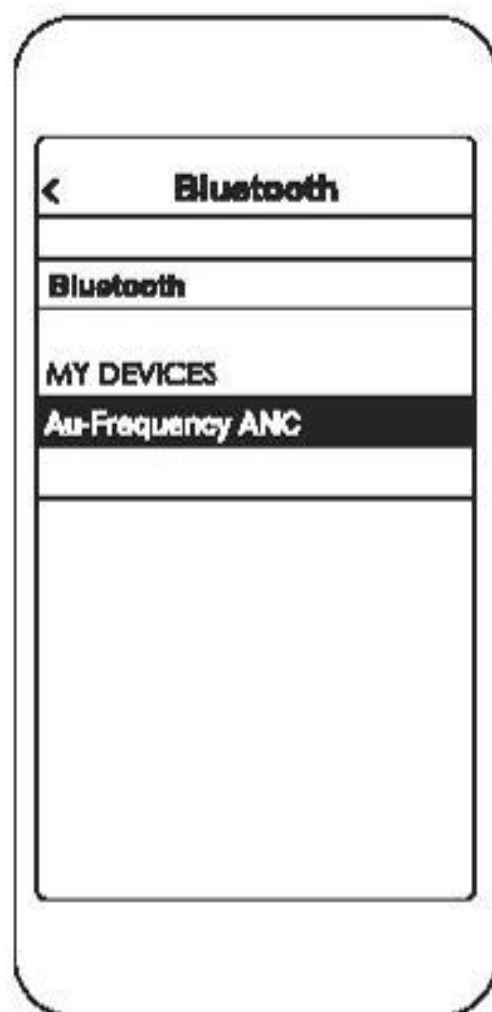

The right earbud LED indicator will flash red and green while in pairing mode.

2. Enable Bluetooth® on your device and enter Bluetooth pairing mode.

3. Select AU-FrequencyANC.

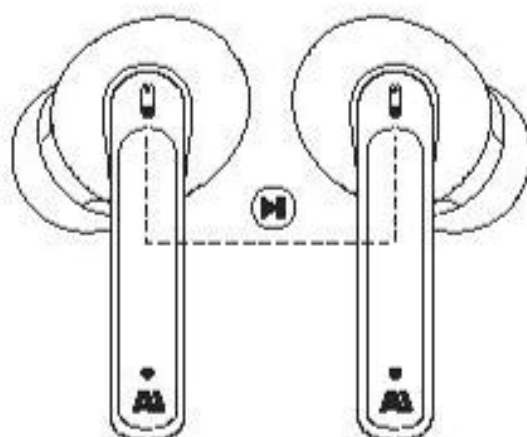

Not pairing with your device?

Try restarting your device; then repeat pairing process.

APPARIEMENT

1. Ouvrez le boîtier de chargement et retirez les écouteurs. Les écouteurs s'allumeront automatiquement et entreront en mode d'appariement.

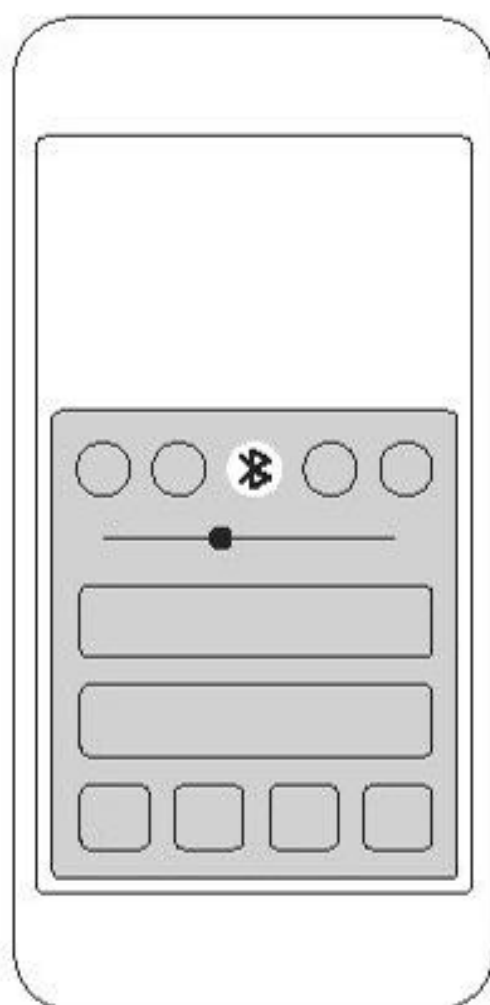

Retirez uniquement l'écouteur droit pour une utilisation indépendante.

En mode d'appariement, l'indicateur LED de l'écouteur droit émettra une lumière rouge et verte clignotante.

2. Activez Bluetooth® sur votre appareil et saisissez le mode d'appariement Bluetooth.

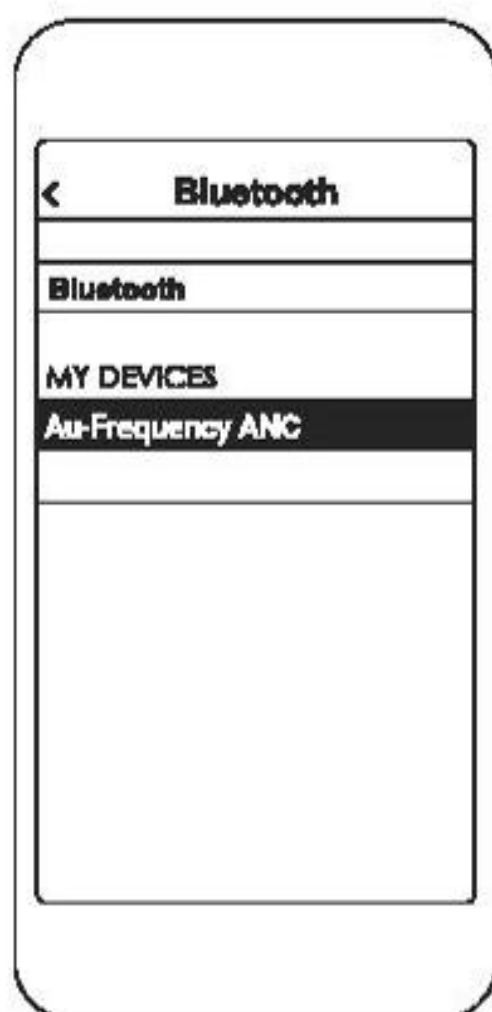

3. Sélectionnez AU-Frequency ANC.

Échec de l'appariement avec votre appareil ?

Essayez de redémarrer votre appareil, puis répétez le processus d'appariement.

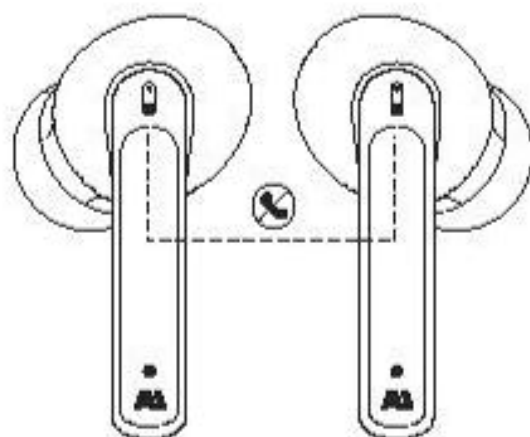

3. Selezionare AU-Frequency ANC.

Il dispositivo non viene abbinato?

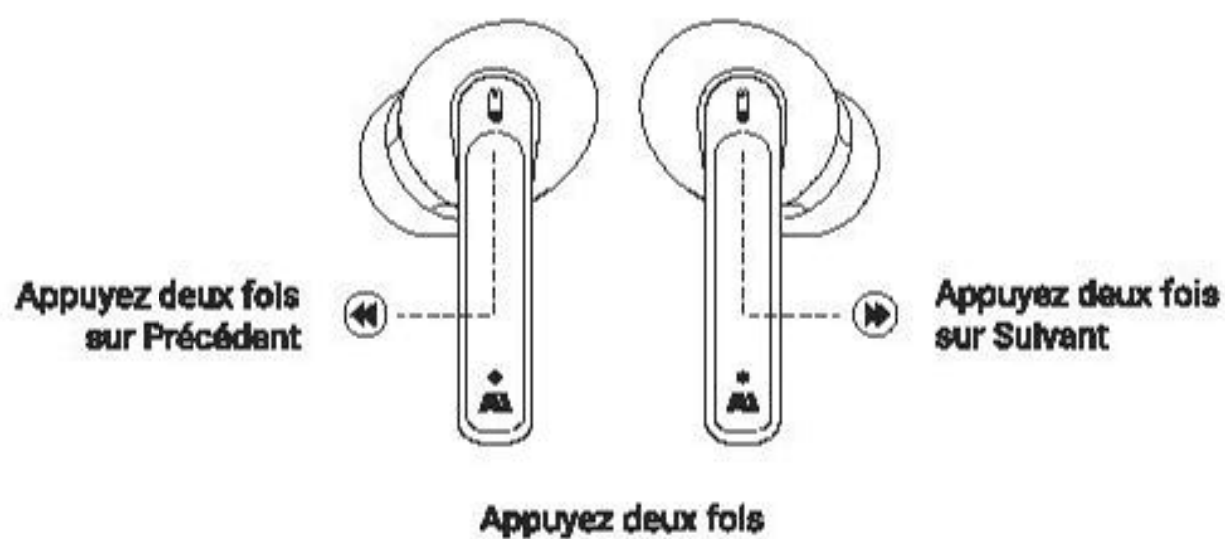

Riavviare il dispositivo e ripetere l'operazione di abbinamento.

EMPARELHAMENTO

1. Abra a caixa de carregamento e remova os fones de ouvido. Os fones de ouvido irão ligar automaticamente e entrar no modo de emparelhamento.

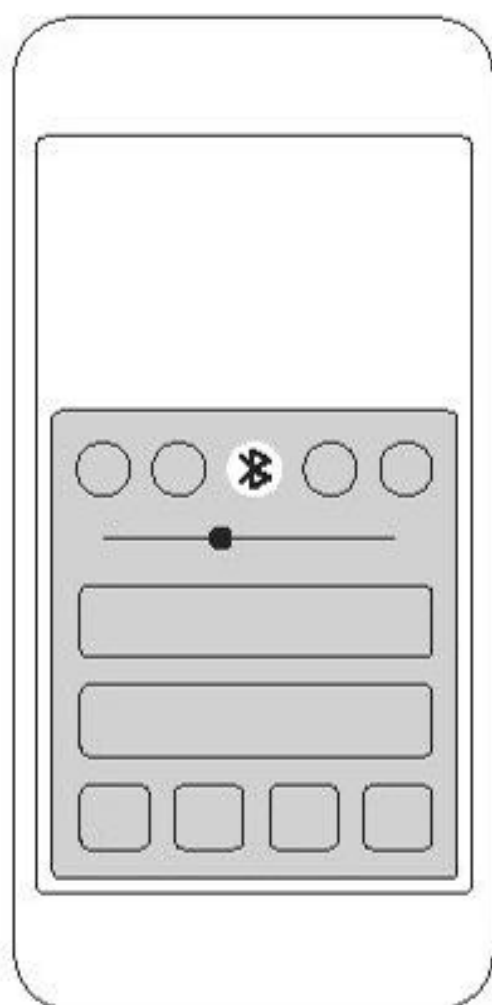

Remova apenas o fone de ouvido da direita para usá-lo independentemente.

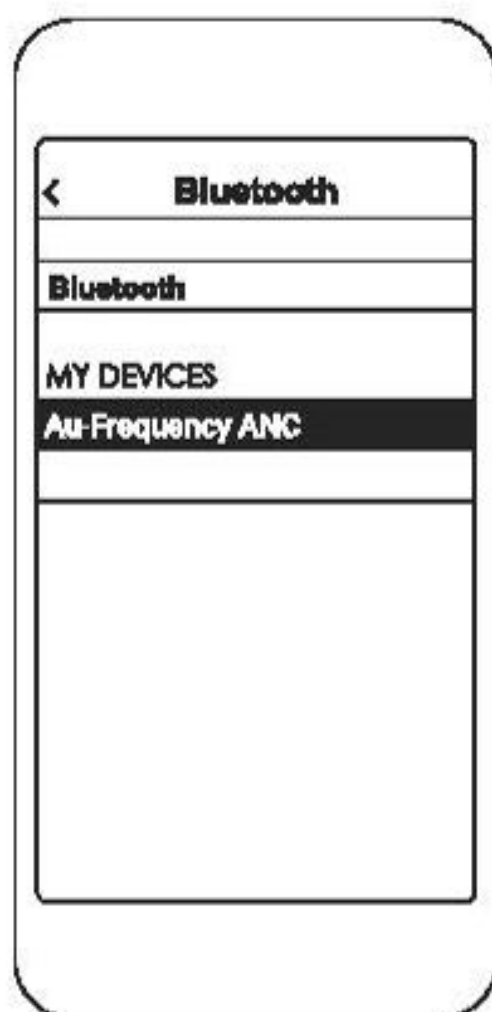

O indicador LED do fone de ouvido da direita irá piscar em vermelho e verde no modo de emparelhamento.

2. Habilite o Bluetooth® no seu dispositivo e entre no modo de emparelhamento Bluetooth.

3. Seclone AU-Frequency ANC.

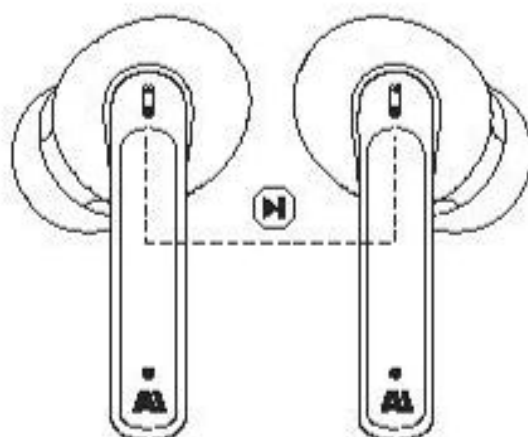

Não emparelha com seu dispositivo?

Tente reiniciar o seu dispositivo, em seguida, repita o processo de emparelhamento.

ABBINAMENTO

1. Aprire la custodia di ricarica ed estrarre gli auricolari. Gli auricolari si accenderanno automaticamente ed entreranno in modalità di abbinamento.

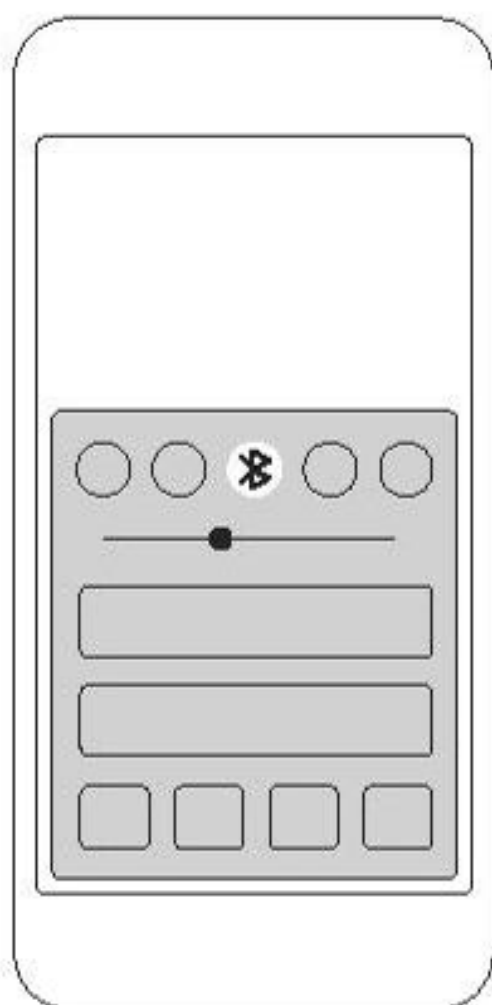

Estrarre solo l'auricolare destro per utilizzarlo in modo indipendente.

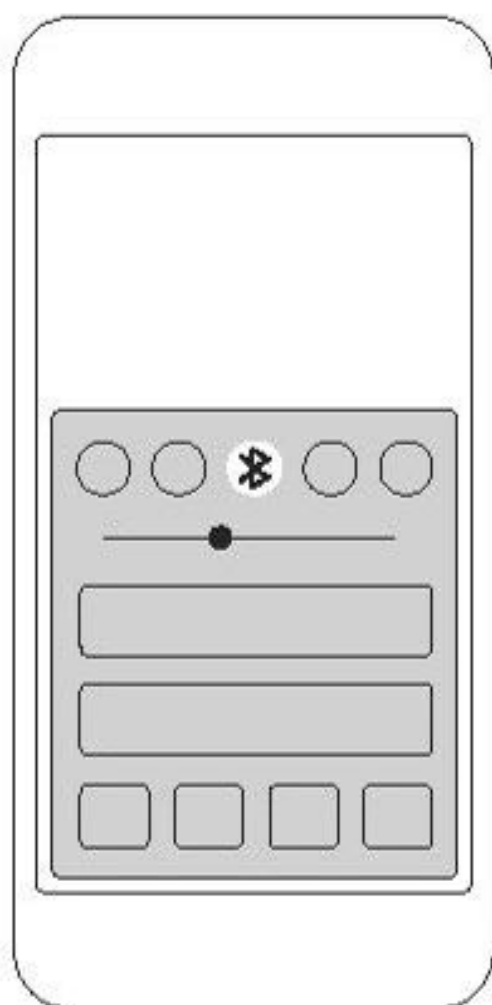

La spia a LED dell'auricolare destro che lampeggia in rosso e verde indica che l'auricolare si trova in modalità di abbinamento.

2. Attivare la funzione Bluetooth® sul dispositivo e avviare la modalità di abbinamento Bluetooth.

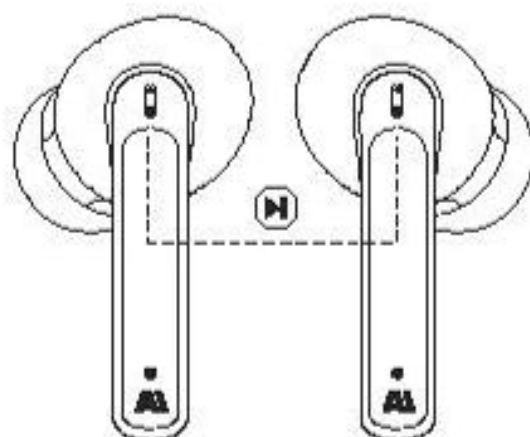

2. Habilite Bluetooth® en su dispositivo y entre al modo de emparejamiento Bluetooth.

EMPAREJAMIENTO

1. Abra el estuche de carga y saque los auriculares. Los auriculares se encenderán automáticamente y entrarán al modo de emparejamiento.

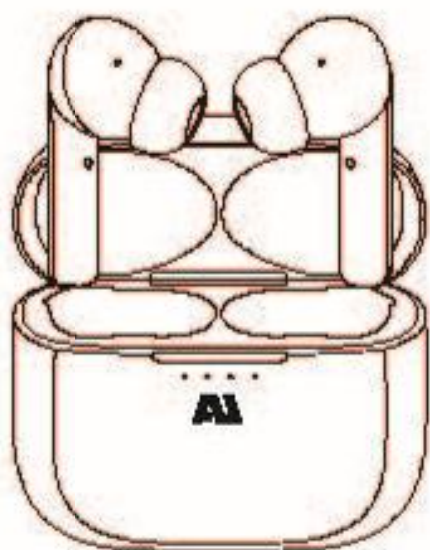

Solamente saque el auricular derecho para uso independiente.

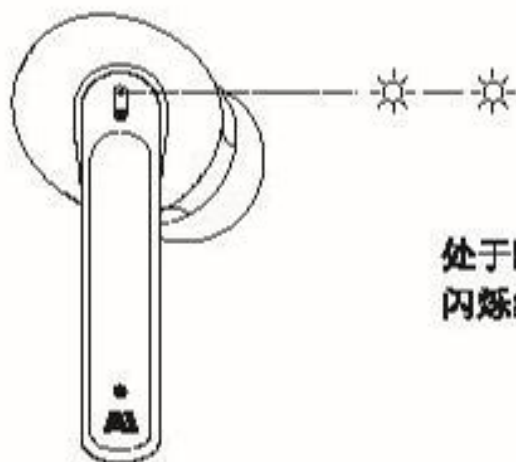

El indicador LED del auricular derecho parpadeará en rojo y verde mientras está en el modo emparejamiento.

配对

1. 打开充电盒并取出耳机。耳机将自动打开并进入配对模式。

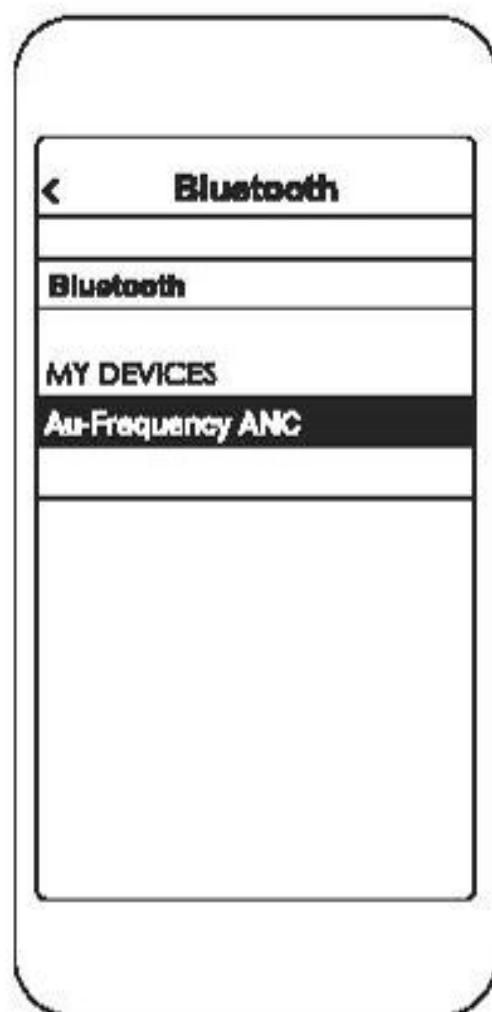

如要单独使用请仅取出右耳

处于配对模式时，右耳塞LED指示灯将闪烁红色和绿色。

3. Seleccione AU-Frequency ANC.

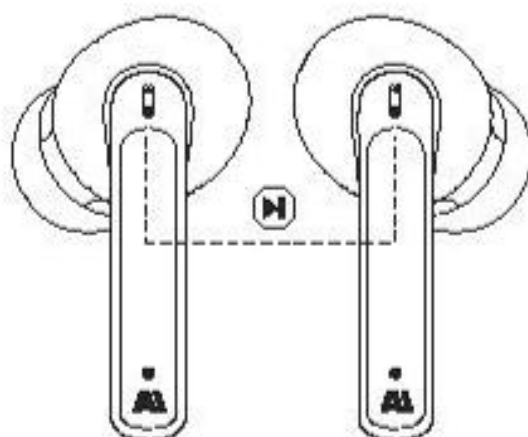

¿No se empareja con su dispositivo?

Pruebe reiniciar su dispositivo y luego repita el proceso de emparejamiento.

FCC Warning

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Radiation Exposure Statement

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

ISED Statement

- English: This device complies with Industry Canada license - exempt RSS standard(s). Operation is subject to the following two conditions: (1) This device may not cause interference, and (2) This device must accept any interference, including interference that may cause undesired operation of the device. The digital apparatus complies with Canadian CAN ICES - 3 (B)/NMB - 3(B).

- French: Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes: (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

This radio transmitter has been approved by Industry Canada to operate with the antenna types listed with the maximum permissible gain indicated. Antenna types not included in this list, having a gain greater than the maximum gain indicated for that type, are strictly prohibited for use with this device.

Le présent émetteur radio a été approuvé par Industrie Canada pour fonctionner avec les types d'antenne énumérés ci-dessous et ayant un gain admissible maximal. Les types d'antenne non inclus dans cette liste, et dont le gain est supérieur au gain maximal indiqué, sont strictement interdits pour l'exploitation de l'émetteur.
