Solder Board-Component View 1	 A photograph of a green printed circuit board (PCB) populated with various electronic components, including integrated circuits, capacitors, and connectors. The board is shown next to a metal ruler for scale, with the ruler markings visible on the left and bottom edges. The board is placed on a blue textured background.
Solder Board-Component View 2	 A photograph of the same green PCB from a different perspective, showing the underside or a different layer. It features gold-colored solder pads and various components. A metal ruler is placed below the board for scale, with markings visible on the left and bottom edges. The background is blue.
