

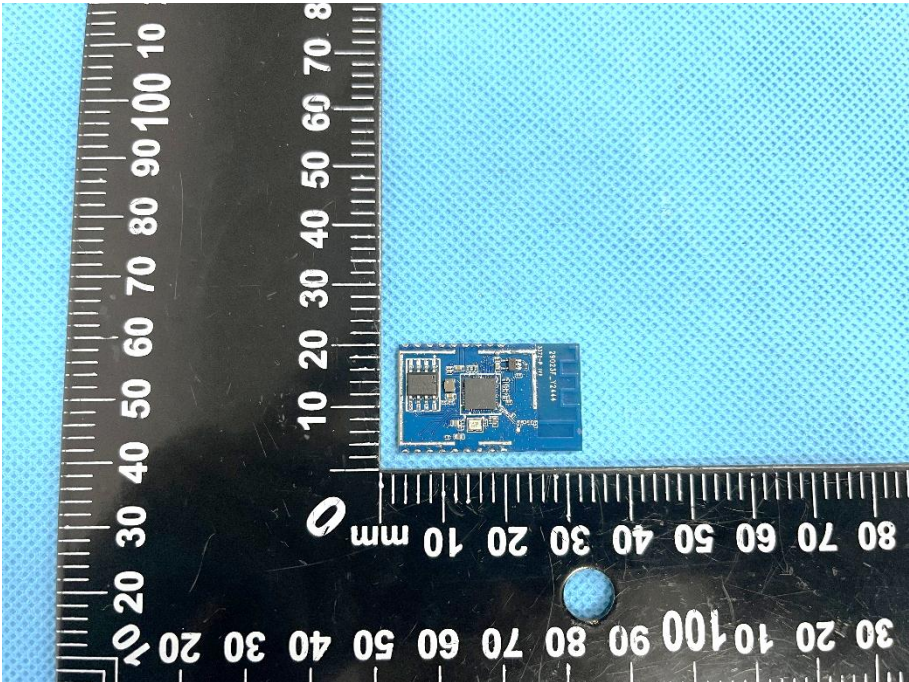

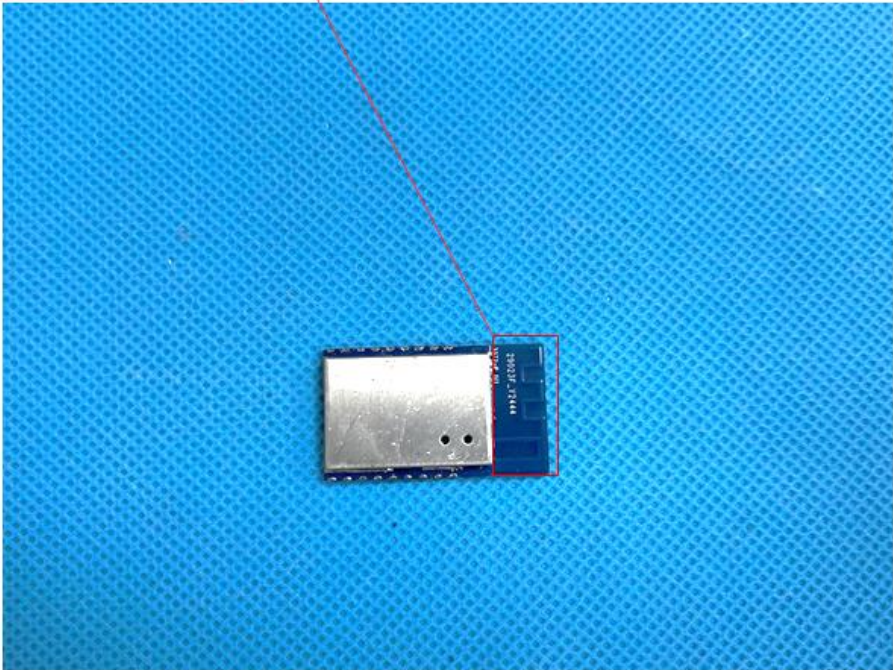

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph of a small blue printed circuit board (PCB) component, likely a wireless module, placed on a black surface with a white ruler for scale. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The PCB is rectangular and features several surface components, including a large square chip and smaller components. The background is a light blue textured surface.
Antenna View	 A close-up photograph of the antenna portion of the PCB. A red rectangular box highlights the antenna area, which is a small, rectangular, metallic-looking component. A red line points from a label "WIFI/BLE Antenna" to this box. The background is a light blue textured surface.
