Board-Component
View 1**

Solder Board-Component View 2	 A photograph of a small, rectangular, blue printed circuit board (PCB) component, likely a wireless module, resting on a blue textured surface. The component features several gold-colored pads and a circular gold pad. Text printed on the board includes "GP0", "2504", "SL A S1000H", "E324684 WA", and "WS-H2 94V-0". There are also labels for "TX" and "RX" near the bottom right.
Antenna View	BLE/WIFI Antenna  A photograph showing the same blue PCB component from a different angle, placed on a black ruler for scale. The ruler has markings in millimeters (0 to 60 mm) and centimeters (0 to 10 cm). A red box highlights the component, and a red line points from the text "BLE/WIFI Antenna" to it. The component has a small white label with a QR code and text: "Model: BL121", "SN: 3488882521", and "14-10-2015".
