

Size: 90*43 mm

Wireless magnetic Power bank
Introduction Manual
#59422

What's included:
Wireless magnetic Power bank
Standard Micro Cable (5V/2A)
1 x Introduction Manual

MADE IN VIETNAM

Production Specification

- ① TYPE C input/output
- ② Micro Input
- ③ USB-A output

Charging with the Wireless magnetic Power bank

- Connect the USB cable to your mobile phone using the appropriate connector. Connect the other end of the USB cable to the output port of the power bank. Your mobile device should immediately display the charging status.

Tech Specifications

SRP Companies
Wireless magnetic Power bank
Model: ECC2-240199A
Item: #59422
Manufacture date:62023-02004
Battery capacity:5000MAH 3.7V 18.5Wh

Micro Input:5.0V ≈ 2.0A 9.0V ≈ 2.0A
Type-c Input:5.0V ≈ 3.0A 9.0V ≈ 2.0A 12.0V ≈ 1.5A
Type-c output:5.0V ≈ 3.0A 9.0V ≈ 2.22A 12.0V ≈ 1.67A
USB-A output:5.0V ≈ 3.0A 9.0V ≈ 2.0A 12.0V ≈ 1.5A
FCC ID:2ATF5-E59422
Wireless charging output:5W 7.5W 10W 15W

SAFETY PRECAUTIONS:

- Charge the power bank fully before initial use. The unit only achieves maximum performance after 2 or 3 full charging and discharging cycles.
- For best use, use the provided USB cable to ensure safety.
- Using an incorrect AC power adapter, adapter tip or USB cable can cause damage to both your mobile device and the power bank.
- Always recharge the power bank in a well ventilated area, do not leave the power bank in hot or cold places.
- Do not immerse the power bank in water or expose it to moisture or weather conditions.
- Do not drop, knock, or shake the power bank.
- Rough handling can damage the internal precision component and its boards.
- Keep the power bank away from children, this device is not a toy.
- While charging, the power bank casing may become warm, which is normal as the charging and discharging processes generate heat.
- Keep the power bank away from fire or other sources of heat. Exposing the power bank to high temperatures may cause it to explode.
- Do not short-circuit the power bank, as this may cause damage to the unit.

- Unauthorized changes or modifications may void your right to use this product.
- While using the power bank, always comply with any special regulations that may apply to the area you are in and always turn off your mobile device when its use is prohibited. For example: do not use the power bank during flight, take off/landing, or near medical equipment, as it may cause interference or damage.

FCC Caution:

Changes or modifications not expressly approved by the part responsible for compliance could void the user's authority to operate the equipment. the RF transmitter on this device has not been tested for FCC compliance for those conditions where client transmitters are also in operation " .

FCC Statement:

"This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be

determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
— Reorient or relocate the receiving antenna.
— Increase the separation between the equipment and receiver.
— Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
— Consult the dealer or an experienced radio/TV technician for help."

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
FCC ID:2ATF5-E59422
