Declaration Letter for pre certified Module

SUBJECT: FCC Application for FCC ID: 2ATJ5RBT3

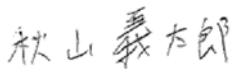

To Whom It May Concern:

We, Robot Home Co., Ltd. declare that RBT3.0 contains previously certified Bluetooth module FCC ID : RYYEYSFCN.

FCC ID of Certified Module (DTS) : RYYEYSFCN
Model number of certified module (DTS): EYSFCN
RF Test Report number of Certified Module (DTS) : A-003-13-C

There is no change to the certified module, when the module is installed into RBT3.0 it is identical to what was previously certified under FCC ID : RYYEYSFCN. The RF Test Report listed for the certified module is representative for this RBT3.0. The co-location considerations and simultaneous MPE for the host system have been evaluated in this filing.

Sincerely,

Yoshitaro Akiyama / Manager
