

DI HONG LONG TOYS

DECLARATION

The sample name in the 200331N038 report is R/C CAR, This is a general product name. There are 10 models in this FCC report. Each model has the same circuit, only the car shell is different, so the corresponding product names are different. Therefore, the FCC report takes the general name: R/C CAR.

Please refer to FCC report for sample name on TCB certificate.

The name of the sample on the UM of the main test item is radio control Sport Racing, which results in the difference from the report name. Our company is responsible for the problems caused, which has nothing to do with Dongguan BV.
