Dear Mr. Cory Cahill:

The Federal Aviation Administration, Spectrum Engineering Services Group received the Airtel ATN MTP-100 notification letter of its filing with the Federal Communications Commission (FCC). The application is for certification of the MTP-100 with FCC ID: 2ATN6-MTP100.

We have completed the review process of the information submitted by Airtel ATN and concluded that we have no objection to the FCC granting certification for this equipment.

If you require any additional information, please contact Mr. Jae Shin, Electronics Engineer, Spectrum Planning and International Group, at (202) 267-7365 or via e-mail jae.w.shin@faa.gov.

Sincerely,

James D. Linney
Director, Operations Support
