AIRBUDS®
TRANSPARENT BLUETOOTH SPEAKER

 USER MANUAL

MODEL # WM30901

Thank you for choosing **AIRBUDS®** Speaker.

For continuous maximum performance, please read the following instructions carefully.

Keep this manual handy for future reference.

POWER YOUR SPEAKER ON/OFF

Hold the **POWER ON/OFF /PLAY/PAUSE BUTTON** for 3 seconds. An audio chime will confirm the Speaker has powered on/off. Speaker will enter into bluetooth mode.

PAIRING YOUR SPEAKER

1. The LED indicator will flash BLUE indicating the speaker is in pairing mode.

2. Open up your smart device. Under BLUETOOTH settings, search and select “**Airbuds Transparent**”.

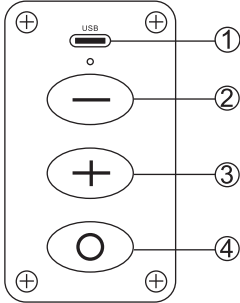

3. The LED indicator will flash a BLUE light indicating the speaker is paired with your smart device.

An audio cue will play when your device is paired.

RECONNECTING SPEAKER

When you power on your Transparent Bluetooth Wireless Speaker, it will automatically reconnect to the device it was paired with previously.

SPEAKER CONTROLS

1. **USB-C CHARGING INPUT PORT**
Use the included USB-C charging cable for power charging

2. **VOLUME DECREASE / THE PREVIOUS TRACK**
Long Press “-” button for the previous track
Short press “-” button to decrease the volume

3. **VOLUME INCREASE / THE NEXT TRACK**
Long Press “+” button for the next track
Short press “+” button to increase the volume

4. **TURN ON & OFF / PLAY & PAUSE**
Short Press the “O” to play & pause the music.
Double click for the TWS mode
(Please note TWS mode needs 2 speakers to be used at the same time).

SAFETY PRECAUTIONS/WARNINGS

When using your Transparent Bluetooth Wireless Speaker, basic safety precautions should always be followed including:

- Read all instructions before using your speaker.
- Do not submerge your speaker in water or place on wet surfaces.
- Do not allow children to play with your speaker without adult supervision.
- Keep out of reach from infants.
- Do not expose your speaker to excessive heat, flames or fire.
- Always press all buttons carefully. Do not manhandle your speaker.
- Do not use in extremely dry environments, as this can lead to static discharge during use.
- Do not expose your speaker to temperatures above 104°F / 40°C.
- Keep out of direct sunlight.
- Do not drop, throw, crush or expose your speaker to excessive physical force.
- Your speaker are not intended for commercial use.
- Do not place near objects that generate a strong magnetic field.
- Please recycle or dispose of your speaker properly on the laws and rules of your municipality. Contact local recycling facilities and / or the AIRBUDS customer support for further information.
- Do not attempt to disassemble or modify the speaker in any way. Immediately discontinue use if the unit has any visibly exposed parts or appears malfunction in anyway. If this does occur, isolate the speaker in a safe place and contact the AIRBUDS customer support team at **support@airbuds.com**

76.2mm

FCC Warning Statement

Changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
