RE: CONFIDENTIALITY REQUEST FOR Model #: Blu-X Radar Model B; FCC ID#: 2ATOZBXR

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the following documents required to be submitted with this application be permanently withheld from public review:

Any and all diagrams and/or drawings (e.g. Block Diagram/Mechanical Drawings; Schematics/PCB Layouts)

Any and all documents which disclose product function (Theory of Operation/Technical Description)

Any and all datasheets (e.g. Antenna Information/Datasheet)

Any and all documents which contain Parts Lists / BOM information

The above documents are company proprietary information that could never get into the possession of competition.

Please contact me if there is any information you may need.

Sincerely,

Carrie Malli
Director of Operations
