

TWS 600
Owner's Guide

Accessories

Overview

Power on / off
The earbuds will power on automatically when removed from the charging case.

Attention: When you first use the product, please allow the case and earbuds inside to fully charge, give them some time.

Bluetooth Pairing

- On removing the earbuds from the charging case the right side will automatically connect to the left. The earbuds will enter pairing mode and the LED will flash red and blue.
Tips:
You have 3 minutes to connect the earbuds to your device, otherwise the earbuds will exit and power off automatically. You can re-enter pairing mode by replacing in the case and then extracting once more.
- Open the Bluetooth function menu on your device, select: HIFIMAN TWS600. Once paired, you will hear "Connected". The red and blue LED's will stop flashing.

Use Left Earbud Only

Please keep the right earbud in the charging case. The left one will enter one-sided mode automatically to return to stereo simply remove the right earbud from the charging case.

Use Right Earbud Only

Remove the right earbud from the case, press the button until you hear power off. Continue to press until you hear power on. Then you can connect with the right earbud only. When you wish to return to stereo mode, put both earbuds in the charging case, then bring the left earbud out first. After it connects to your device then simply return to stereo by removing the left bud.

Tips:
The left earbud connects to your device only.
The right earbud will connect the left one.
The left and right earbuds can be used as single channel headphones.

Wear

Try all the eartips to find the best fit (To help you get for means you ought to get a complete seal, feel comfortable and can enjoy the best sound quality at once.).

Insert earbuds with the eartips to your ear directly. Twist gently until they fit your ear perfectly and feel comfortable.

Tips:
More than one eartips' size may fit you. Please choose the best one for your ear to get the best experience. You may need different size eartips for left ear and right ear.

Charging time	1.5 H

User Guide

Safety Information

- To avoid hearing damage, please keep the volume to a moderate level. Please do not use at high volume levels as it may cause hearing damage.
- Do not use TWS600 when you are driving a car, cycling, near traffic or in any dangerous environment requires your full attention.
- Please disconnect the USB cable after charging. Leaving permanently on charge may shorten battery life.
- Please use the original charging cable of TWS600. The max input should be 5V/1.5A. If you are using an unsupported charger it may cause damage.

Please note: If using TWS600 to watch videos or for gaming, the audio will be slightly delayed. This is due to the latency of Bluetooth transmissions.

FCC STATEMENT

1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) This device must accept any interference received, including interference that may cause undesired operation.

FCC Radiation Exposure Statement:

The device has been evaluated to meet general RF exposure requirement.
The device can be used in portable exposure condition without RF striction.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
--- Reorient or relocate the receiving antenna.
--- Increase the separation between the equipment and receiver.
--- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
--- Consult the dealer or an experienced radio/ TV technician for help.

HIFIMAN Limited Warranty

HIFIMAN warrants this product to be free of defects in material or workmanship for a period of one year from the date of original retail purchase. If your product is found to be defective during the warranty period, HIFIMAN will, at its sole option, either repair the product or replace the product with a new or factory reconditioned or substantially equivalent model. This limited warranty does not apply to any defects attributable to damage beyond the reasonable control of HIFIMAN including damage caused by abuse, misuse, misapplication or modifications performed by anyone other than HIFIMAN.

If your product is under warranty and problem appears, please contact HIFIMAN customer service or your authorized dealer. If necessary, and at our discretion, we will provide a warranty repair or replacement of your product.
