Back Side

Company Name : APLUS-INNO Technology Co., Ltd.

Company Address : 12th Floor, 13th Floor, No. 99, Section 1,
Xintai 5th Road, Yuzhi District, New Taipei City.

Product Name : Wireless Charging Mobile Power

Product model : AINW-P

Place of manufacture and place of origin : China

Year of manufacture : June 2019

Rated output capacity :  5.0V 5500 mah

Input :  5.0V 2.0A

Wired output :  5.0V 1.0A

Wireless output :  5.0V 1.0A

Total power output limit :  5.0V 2.0A

- Keep away from fire when using, do not short circuit the power supply.
- This device complies with Part 15 of the FCC Rules.
 - 1) this device may not cause harmful interference and
 - 2) this device must accept any interference received, including interference that may cause undesired operation of the device.
