Solder Board-Component View 12	 A photograph of a green rectangular component on a blue textured surface. The component has a white rectangular area in the center with a black outline. To the left of this area, there is a small square labeled 'MARK2' and a small circle labeled 'LED1'. To the right, there is a small circle labeled 'MARK3'. A black handwritten mark is visible in the center. A ruler is placed below the component, showing a scale from 0 to 10 mm. A vertical ruler is also visible on the left side of the component, showing a scale from 0 to 5 cm.
Antenna View	 A photograph of the same green rectangular component on a blue textured surface. The component has a white rectangular area in the center with a black outline. To the left of this area, there is a small square labeled 'MARK2' and a small circle labeled 'LED1'. To the right, there is a small circle labeled 'MARK3'. A black handwritten mark is visible in the center. A ruler is placed below the component, showing a scale from 0 to 10 mm. A vertical ruler is also visible on the left side of the component, showing a scale from 0 to 5 cm. A red line points from the bottom right corner of the component to a red-bordered box labeled 'NFC Antenna'.
