Model difference declaration

Model is:

402/402A/402B/GPS-402/GPS-402A/GPS-402B/BN-402/BN-402A
/BN-402B(FCC ID:2ATUK-BN-402)

Model differences are based on market requirements, with different model names used solely to distinguish between sales platforms or regional markets. The casing color and LOGO and accessory packaging can be customized as requested by the customer.

All models share the identical circuit schematic, PCB layout, mechanical structure and critical components. Such differences do not affect product safety and electromagnetic compatibility performance.

We hereby declare that all models in this product family are electrically equivalent to the reference tested model.
