Board-Component View
1**

Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, labeled '2', showing its solder side. The board is rectangular with various electronic components, including a large copper-colored rectangular component in the center, a smaller copper-colored component to its right, and a small black component at the bottom right. The board is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
Solder Board-Component View 3	 A photograph of the same green PCB component, labeled '3', showing its other side. The board is rectangular with various electronic components, including a small black component at the top left, a small white component in the center, and a small black component at the bottom left. The board is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
